and the second second

CONGRESSIONAL.

WASHINGTON, Sept. 4. SENATE-On motion of Mit. Clay, the bill abol-

them the slave trade in the District of Columbia, was postponed, in consequence of the shaence of several Senators, and made the special order of the day for Tuesday next. Mr. Dickitson, from the Finance Committee, rethe day for Toesday or xt. Mr. Dickinson, from the Finance Committee, re-peried the Grerral Post Office Appropriation Bill, and moved that it be taken up for consideration al opec. He briefly explained the bill and the After some debate, and an ineffectual attempt to postpate, the amendments of the committee were adopted, and the bill ordered to be ergross

ed. The bill providing weekly mails by steamers from New Orleans, or the mouth of the Musisarp pi river, to Vera Gruz and Tampico, in Mex co, was taken up, amended, and ordered to be co-

The Senate then adjourned. House.—The House resumed the considerat of the resolutions reported yesterday to print 5 copies of the list of persons on the pension

since October, 1535, which was finally laid on th

Table. Mr. Richardson, from the solect committee ap-pointed to ir quiro into certain alleged transactions of Thomas Ewing, while he was Secretary of the Interior-such as reopening and paying certain Chickiaaw and other claims, after they had been closed by the former administration-made a report and said that the documents were volumine ous and that it was outerly impossible for grante-men to understand it until they could read it in print. He therefore moved that it be printed, and that further considersuon be postponed till Toes-

day week. Mr. Vinton presented a minority report from

e Committee. The question being taken on the motion to istpone, it was decided in the negative. Yeas, posipose, il was used. 61 - mays, 107. The morning hour having expired, The House then took up the Texas Boundary

The Speaker announced the question pending to be, to refer the buil to the Commutee of the Whole on the state of the Unico. Mr. McLane said that a commitment of the buil would be trainamount to its rejection. His object would be tantamount to its rejection. His object west to pass the bill in the spect in which ill would be most acceptable to himself, such a was under-stood to say that in is present form it had most arrength incit hearth-

aireagth in both branches. Mr. Cable, of Onto, moved to lay the bill on the table. After considerable debate, the bill family came before the Honse, and the vote was taken on Mr. Company's ancadurents to Bayd's resolution, pro-posing to organize Southern California under the name of "Colored," by the time of 30 deg. It was duagted to-year 69, mays 130. Much conjuged proceedings followed, when the House reinwed to order the bill-to a third reading. Vers 50-mays, 126.
