character a test in 1944, and made intemperance i charge against Gov. Johnston, and yet they no ctable citizens to vote for a man who habits of intemperance are notorious wherever he is known. That this is his character, we appeal to the members of the Legislature with whom he sai st Winter, and to the people of Harrisburgh and

to the effect of Surveyor General, would be a dis grace to the people of Pennsylvania, and a great injury to the business and weifare of the common welth. We call upon all true Pennsylvanian of all parties, to endeavor to prevent so great calamity to the State.

THE GREAT HAIL STORM .- This storm min have been quite extensive, judging from the ful-lowing, which we cut from the Baltimore Sun of Saturday : WONDEFUL HAIL STORE. - The following letters

Point or inclusion at the inclusion of the second s ch a 4 inch ring, and after carry on foot, it measured seven an D. H. & J. H.

PANNSELVANIA TOWAS AND CITIES .- The consul returns which we have published from time to tume exhibit the following view of the present poputation and progressive increase of some of the towns and cities of this Sinte. It is quite gratify-ing to State pride to observe that all have added to their size and importance.

inution. LIBERTY STREET. "THE OFFICE CHILDREN, & tale of Cruehy and un," "This is the great Prize Tale, by ? Oppression." This is the great Prize : S Arthur. For sale at Miner's, ou

Here we find a judicial construction of this pro-rision which, in the view of Mr. Walker, we put there we and a particle construction of this reason which, in the view of Mr. Walker, we throw the "whole importing business into ands of the distancest and fradulent"-and construction must make the law joud yet we the Locofoco members of the House of Reproatives co-operating by partiancestary make ali and expedients to size off any active or a subject, and declaring it to be in expedient to be slatoo the tariff. Yes! in the judgment of L in a word, the election of J. Porter Brawley

shi on the tariff. Yes! in the pigment of L cobcoins it is interpelieved to a the pis any corre-tion of the law which, by Mr. White's own is build asservation, throws the wants impart outsers of the country is to the hand to the d honest and frandulent. It is hardly conceivable that Maine, New J-ery, Marylacol Ohno, Indena, Michigar, and H and, fan abed Lonokco representatives who were used to work together with the sain tend A-tractionism and Educations in the ref. A-tractionism and Educations in the ref. A-tractionism and Educations in the ref. A-tractionism and Educations in the resease home-cation of a wattern which thus or newsee home-

 a bud lock to a numer, and some of them areged a in the Navy y and the Army bull, were passed.
 the number of a numer, and some of them areged a in the Navy y and the Army bull, were passed.
 the number of the distance of the area in the source of the area of area of the area area of the a stractionists and Disubionists to prevent rection of a system which the spreas in Labor and ennourages Foreign Frants bowever, is the fact, and we desire that it is particularly noted by the source of Dis-nois, Remayivania, New York, New Jarre: Michigan. Perhaps even the surgeon of the spreached disticts in Massache represented districts in Massachusetts may the it worth while ro to adjust their difficulties a sud members here, even at the next season, y may deem it not expedient to testslate for the regulan of the great evil which Mr. Waiker ed. This may prove a great public misfortune for the report contains evidence which will devel-

ope a most infamous system of swindling and fraud, a grand schemo of villiany and scoundrel-<sup>9</sup> region of the great evil which Mr. Welker has so emphatically described. The report of Mr. Corw.s includes other top or or consideration, which we shall hereafter po-tics. We apprechad, however, test we have still isough to direct the attention of the People to at explose the most top evil, on which ther J, lord ac-representatives have decimed it inceredient to egalate. We think also, that we have still anong h to wave the technist obstacles which may embartness the ensciment at the pre-set sees should be example recommended by Mr. Seere-ary Corwin. The following, from the Baltimore Sun, shows hat we are to have a new and more caedilour. ism which throws Galphinism far into the shade. If best year, murdered loweph Miller, his travelling It caunat get out before the termination of the companion, in Phoos, has been tried, convicter, present term, but out it will come before the next and sentenced to be hanged at Mt. Carmel, Ill., on and I predict that is revelations will actound and disput the country in even agreeder during the for example. Bui Brown's treachery between the free seilers and pro elavery men on the Soenker

abio, les Locenies. The proceedings upon the Sconte's amendinout were long and animated. Mr. Evans moved to amend by adding a due compensation to Wendell and Van Benhuysen. Mr. Evens moved to amend by adding a dec competion into the modell and Van Benhuysco, printeers to the last Corgress, for making up their Congressional district the vote, nextly complete,

allocged losses, and made thereon a most brilliant
