LOUISVILLE, October 29.

COMMERCIAL RECORD. PITTSBURUH BUAND OF TRADE COMMITTEE FOR OCTOBER. . S; MOGRHEAD C. H. GRART JAMES M. CDOPE PITTSBURGH MARKET, GENERAL REMARKS.—During the week just closdive have had a splended rise in our rivers. Commerce between this city and the various points on the
river below, is now free and open for all classes of
stramers, and the result has been a general revival of
trade in our midst.

At 10, 16 of the Asia, continue without change. The business has a low feature for comment.

HAYER, Oct. 16, Cotton—Sake yesterday receded [1,333 bales at rising rates. The second of the week amount to \$500 bales.

Coffee—The highest rates of less month are now current. The market is quiet.

Lard has increased in demand, and prices are well supported.

Liversoot, Oct. 19.

The leading articles of trade have assumed a fine supper, and a tair amount of bosiness has been transacted in wheat and Indian corn, at improving rates. Flour also moves freely at The-day's rates.

Provisiona—Best—is duller. Of pork, sales have been, to a fair exicut, at former sales—have been, to a fair exicut, at former sales—have been, to a fair exicut, at former sales—than is suttailed at the extreme quattations of last week, with an upward tendency. Shoulders are very scarce. In hams there has been no improvement. Lard is in active demand at 6d advance. Of cheese, there are no assorments in the market.

Tailow—The market is less active, but quoe tailons are unchanged.

Groceries—Sugar—The Committee of Brokers state that there is a continuance of the previcus demand, with a further advance of 6d to is per cwst. Molassies is active. The demand for the trail of langing is negatively source and specific per cwst. Molassies is active. The demand for the trail of langing is negatively sources we have learned, has transpired, spowing any marked change is price, the sole have here no largualar, of a largual rate demand, with a further advance of 6d to is per control of the per cwst. The county bridge over Ball creek, in E. Dans township. The county bridge over Ball creek, in E. Dans township. The county bridge over Ball creek, in E. Dans township. The county bridge over Ball creek, in E. Dans township. The county bridge over Ball creek, in E. Dans township. The county bridge over Ball creek, in E. Dans township. The county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek, in E. Dans to the county bridge over Ball creek and the county b an expanse of farty dollars would now repair it. It will cost two hundred dullars to rebuild it. In rebuilding there will be the advantage in the point

ment for non payment of a fine until the petitions of coat, in having the old stone upon the ground; and any thing that floats will pass away.

We think this a proper time and page to bring to the notice of the Grand Jurt, the By, the Storodramy purposes, and Sull creek is neither a "amail creek, rivulet, or guily."

The expense threatened to the county by this repeal of the act of 1545, is corrmous, to say not thing of the delay, inconvenience, and danger to man and beast.

It seems to me this is a matter of great imports.

be as mere pashine, without any beneficial or prac-

soon will be their obvious effect. Thus, it will become necessary in a double degree, that every avenue of transportation and travel is this county should be opened, well made, and kept in repair; and of these roads and bridges are the most prominent and important.

The commitments and keeping of vagrants cost. The commitments and keeping of vagrants cost.

and welketh at noon day.

An allusion in one of these sheets caused a murder in Manchester some time since. It is distressing to know that persons exist in this community ing to know that persons exist in this community who will print and publish such abominations, but it sickens the soullto reflect that those who thus pander to the vitest of passions, should meet with encouragement and support by those who purchase them an read thom.

We are no advocate of breaches of the peace;

our duty and desire is to preserve it. But if any man who feels himself, or any one who is dear to man who lee's himself, or any one who is dear to him, insulted, libelled, or aggreeved by any publi-cation in any anonymous sheet, such as I have al-luded by, I say here, in tull view of my duty, and of my onth of office, that should be beat the secondred so offending within an inch of his life, break the forms, and scatter the type into the gutter, and be brought here, hefore me, for trial for an assault and brought here, telore me, for trail for an assault and battery, I shall charge the jury in a maneer studiously feeble, and if he is convicted, we shall destail forthwith two active and experienced tip stares, and excuse them from all further attendance in the meantime, whose duty it shall be at once to proceed and try to find and ferret out where these infamous

payment of a debt due upon an ordinary constraint.

Should any such bills be brought before you, gentlemen, you will at once detect the distinction were detected and indebtedness.

It is much to be desired that this Court had the power to summon a new panel of traverse jurors, every two or three weeks. As at now is, they must serve the whole term, which is armetimed, must erree the whole term, which is armetimed, it, and long, and close confinement to which they desire the trief, and long and close confinement to which they detectiven. We know that from change of late-it, and long and close confinement to which they are unused, Jurors get suck, others employed in good situations, lose them, if they serve as long as Jurors, as I know from Jurors themselves, and to be been they will pay it. It would be barred and confinement to whole them, and the confinement of the lives of passengers of stringent laws to prevent the doat when they will pay it. It would be barred and travely business second absent the must go, and if it is not reasonable to expect that mon in active business second absent the must go, and if it is not reasonable to expect that mon in active business second absent the recommended to such the Miller of the business assen. We would therefore respectation to the Western Rivers doring a set part of the business assen. We would therefore respectation by weatern absent the part of the business assen. We would the Rill referred to, would not measure aupend trade and travel business assen. We would the refore respectation by the commendation of the lives of passengers of investigation, continued to the little and applied in the commendation of the lives of stringent laws to prevent the doat the stringent of the business assen. We would the Rill referred to, would not measure aupend trade and travel to the world the refore respectation by the stringent and experience of investigation, continued to the world the refore respectation of the world the reform respectation by the dement and experience of invest

in this Commonwealth, to repair attorneys the prisoner, cannot obtain a tun pause, wants of the repairs out of the county and pay the expenses of the repairs out of the county Treasury, except Allegheny is his right, if he demands it.

This occasions continuances and delays, in the administration of justice.

High Page Cattle—Mr. Jonathan Y. Uzrrard has sold a fine cow which was exhibited at the late Allegheny county Agricultural Pair By act of 2ith February, 1845, section 5, it is made the doty of the Commissioners of Allegbeny county to repair all bridges erected by the said ounty and to pay the expenses of anch repairs.

At the last session of the Legislature, on April We would call attention to the advertisement of the second of the Legislature, on April We would call attention to the advertisement of the second of the Legislature, on April We would call attention to the advertisement of the second of the Legislature, on April We would call attention to the advertisement of the second of the Legislature, on April We would call attention to the advertisement of the second of the Legislature.

That it shall endeavor to have this rememberou at the second of the Legislature, on April We would call attention to the advertisement of the second of the second of the Legislature.
