DUNHAM'S PIANOS.

Sole Agency for Dunham's Pianos.

H. KLEBER takes pleasure in announcing to the public that he has succeeded in securing the sole agency for Dunham's celebrated Piano Fortes for Western Pennsylvania.

These Pianos, manufactured by Mr Dunham, of the firm of Sindart & Dunham, are too well and favorably known in this neighborhood to require any comment at this time, suffice it to say, that for tone and volume of power they are known in the Western country than those of Sindart & Dunham and Nunns & Clark.

Mr. Dunham is the practical partner of the above firm, has spent upwards of twenty years in the factory, and was for several years superintendent of the business.

Within a year past Mr Dunham has bought out the entire factory, and apprenticeners of the same, and continue to manufacture, under his own name. Dunham's Pianos have attained such popularity, that in some of the western cities, Cincinnati, &c., they have sold more than any other manufacture. They are distinguished by their power and brilliancy of tone, and extraordinary durability.
