Mr. EDITOR—In the Journal of yesterday, Ale-thes appears again, in his mmal evasive manner, and in addition, has again perverted the quotation from Horne. It is impossible for me to consider sale of New York beaten than that it should have greating, as successful, even the true questions, as successful, even the this may be his title. I have received the epithets of "abolitomist," "individual contentions," "abolitomist intendiors," and a multitude of others, in the content of the property of the property, and a multitude of others, in the content of the property of t such a disputant, who is ever flinching from the t

'Tis the law of God in the human soul, Tis the law in the word Divine;

The principle of the office of the property of

to pass directly through the machine and to come only printed on both sides, folded tito a convenient form; and cut off ready for delivery. All the reciprocating movements heretofore used are aband doosed, and simple rotary motions cubsitured throughout. Consequently, the smooth and uniformaction of this press is simost exempt from the danger of derangement or getting out of order, and subject to very little wear.

The types, moreover, possess in their shape a great advantage. They are so formed) that they must necessarily all similar the right way, and in their ection upon the paper are not subject to it jury, by heing hemered; and they are much less the way the bance is likely to turn. Count if you have a subject to the country of the topy of the country of t

the conting of the sheet, in any hour's time.

With these advantages for quick work, this press can be stayed to the very hour of issuing the paper.

With these advantages for quick work, this press can be stayed to the very hour of issuing the paper.

There is no difficulty whatever in placing the type on the cylinders. Indeed, all the details of compensations of the same facility as on the old plan.

There is no thing, therefore, to prevent the smensary, arranging, taking proofs, and transferring are completely practical, and can be accomplished with the same facility as on the old plan.

There is no thing, therefore, to prevent the smensary arranging, taking proofs, and transferring are completely practical, and can be accomplished with the same facility as on the old plan.

There is no thing, therefore, to prevent the smensary arranging, taking proofs, and transferring are completely practical, and can be accomplished with the same facility as on the old plan.

There is no thing, therefore, to prevent the smensary arranging, taking proofs, and transferring are completely practical, and can be accomplished with the same facility as on the old plan.

There is no thing, therefore, to prevent the same facility as on the old plan.

The same facility as on the old plan.

There is no thing, therefore, to prevent the same facility as on the old plan.

There is no thing, therefore, to prevent the same facility as on the old plan.

The same facility as on the old plan.

There is no thing therefore, to prevent the same facility as on the old plan.

We are still without sufficent returns to extend the compinion expressed yesterday, that Mr. Huntus elected. Untill certain information shall have been received from Delsware, Otsego and Swerbea, no reliable opinion can be formed. The majority, either way, will be smil.

But if the Election for Governor shall have resulted inampleiously, there is much less occasion for surprise than of regret. Indeed, the only cause for wonder will be that the Whig Party of our State, which the prominent and influential Officers of the Whig National Administration against it has done will.

At a meeting called a bestile Convention, Ind. A minuser of Congress who standed that Convention, led A minuser of Congress who standed that Convention, led A minuser of Congress who standed that Convention, led A minuser of Congress who standed that Convention, led A minuser of Congress who standed that Convention, led A minuser of Congress who standed that Convention, led and the cause of vital relation were very least of the Congress who standed that Convention, led the Congress who standed that Con
