negroes of the South double once in 35 years—that the free heads of the south double once in 35 years—that the free heads of the south double once in 35 years—that the free heads of the south of the s

ex months to run, is done at 64 per cent. For aixty Jay bills, the rate is 4125 per ceat.
The Sab Treasury here, at present, holds over four millions of specie in its claus. This heardthe sab frequenty nere, at present, notes over four millions of specie in its claus. This hoard ing up of so much of our "circulating medium, entil create serious embarrassment in the bus ners world were money not so plenty as it fortun

ately :s. 1. Land warrants are duil \$120@125. The sales of flour within the three days pas amount to 37,000 bbis, about one half of which was for export. Common to straight State \$4 62 63 65; etraight Michigan \$4 69,64 75. Grain-Wheat is very firm, with sales of 2,000 toushols of Genereo at \$1 15. Rye is firmer, and holders are asking \$3@\$5e. Corn is dull at pr

150 bits mere at \$11 12t. Lard is firm and in good demand, with raies of 250 barrels at 7/074 units.

The Board of Caral. Commissioners, at their meeting in this cuty on the 5th inst., concluded a size to the Philadelphia and Reading Railroad Company, of the railroad bridge across the Schuyl iril, the line of railroad bridge across the Schuyl iril, the line of railroad from the foot of the inclined plans to the city, and the car house and lot and Collector's cline, near lived atreat, for \$243, 709. The ago of \$159, Velica authorizes the sair requires that the proceeds shall be applied to direction and repair the Columbia Railroad bear streed. Whitehall and Columbia. To carry into effect the law, the Bord authorized an immediate survey of the entire line, mader the direction of Elward F. Gay, the shot Engineer, with instructions to report at the carliest practicable date's ato all important electations and improvements, with a simulate for expenditures. It is believed that some of the heavy grades can be javoided, and risely of the crooked ways made straight. We breat that expensis reference will be had to the THE BOARD OF CARAL COMMISSIONERS, at the reamson to the beavy grades can be avoided, and romy of the crosted ways made straight. We have that exposit reference will be had to the crost and dargerous curve known as Cope Horn cround a leage of rocks near the division line between Cassier and Luncaster counties, as well as to the heavy grade from that point to the Gap, where the rost each over hed of quick sand, at all times treatments and sedem in a proper continuor for realroad purposes. Pail, North Amer.

B. TO DINNEY

From THE PLORIDA Indians—By the arrival at
this port of the mail ateamer St. Matthews, we
have advices from Tampa to the 50 holt. It as
pears has Holah too-chee, one of the last indian
delegation from Arkansas brough there, with the
hope of satisting in the removal of the Indians,
and who was massing when his colleagues returnted home, acome in to Tampa. It has atways
been supposed that he had turned trailor; but now
ther four men the whole family of Sam Jones,
comprising his now left without a single one of
his family. The Arkansas in a few days. They
were cajoled away, by steelth, by Holab-too-chee,
who is the brother of Sam's two wives, and hence,
by the Indian law, they are obliged to follow him
rather than their husband.—Sawannah Repub.

ais friends had erected to his memory. His surprise, on reading it, was great as theirs wan to see him return. He isomediately returned to be friends for the purpose of sauring them that the was still among the living. "Truth is attanger than fiction." Reserving to, Dorn.

THE RIGHT UN SECRESION.—The doctrine of habidication, exploded to use old form, now takes a sew one and styles itself the right of secresion. This is but another attempt to reconcile revolution with the constitutional action of the Government, and to bring the sanction of the law to justify rebellion. It might as well be attempted to prove that death is slingether consistent with his and that poison may be used as wholesome he old it seems to be foregotten by those who forms that he that poison may be used as wholesome he old it accomes to be foregotten by them that the same people who formed the State Governments formed the National Gosternment also; that the National and State Governments formed the National Gosternment also; that the National and State Governments are over the same people, and that it is system a derive their supermacy from the one and the same people who formed the same source. But are there two suprane sources are sourced to the source prints over one and the same people who formed the same source. But are there two suprane sources are sourced to the strength of the supremacy from the one and the same people and that is a special or the continuition and the laws of the c
