NAUNTILIE, NOT. 15th. The States being called, Mr. Sneed, of Georgia presented saries of resolutions, declairing the reconstructure attrack by the North on the rights of the South—that the Convertion cheriaked, the Convention prop-suiton. If Texas accorded, the Convention, and reconstructure attrack by the South on the rights of the South—that the Convertion of which, would be a just cause of sections. The Committee on Resolutions, asked leave to sit during the Section of the Convention, and promised to report on Saturday. Leave was a A motion to sijourn, failed, and McWhater, best attor the following resolutions. Besolved, Thas it should be the poley of this pleasant run from this city to Beaver, which or best at a boot the site to be state the failed and the site at the the site to be state the site of the failed to the state the site of the failed to the site to be state the failed to the failed to the site to be state the failed to the failed to be state the failed to be state the failed to the failed to be state the failed to the failed to be state the NASHVILLE, Nov. 15th.

NASHVILLE CONVENTION.

to be sent purposedy tor the oursaids. We had a pleasant run from this city to Beaver, which our guint steamer accomplaned in slittle loss than two hours; and making the distance to Wheeling two hours; and making the distance to Wheeling in about eight hours, including all stoppages by the way. We remained at Wheeling until Satur-iday morning, when we left sgate on our return There were over 200 persons on board, some akty of whom were ladies, and through the good management of Court I there is good

management of Capt. Conwell, the time was whiled away most pleasantly by all on board. Stoey's trass Band from Brownsville, had proviously been recured by Capt. Conwell, and their excellent usic added much to the happiness of all on

> On Saturday evening, when on our way up, the passengers held a meeting for the purpose of adopting some resolutions expressive of their feelings in regard to the kind treatment re-ceived at the hands of Capt. Conwell, and bis rentlemaniv officers. The meeting was organized by cating Gon. William Larimer to the Chair, and appointing Wm. C. Friend, and Wm. J. Grabar, Scoretaries.

After some very appropriate remarks by the President, explanatory of the nature of the meets ing, the following preamble and resolutions were offered by Mr. Howard, and opanismously a lopic ed, being most heartily responded to by the ladie preseat. reseat. Whereas, The numerous passengers wishing
