THE PITTSBU GH GAZETTE. PUBLISHED BY WHITE & CO PITTOBURGE TUESDAY MOENING, NOV. 19, 1850.

cilizens back him up in his efficate by vigorous action at home. What he wants; especially, is a
statement of the amount of all the duties which
have been paid by our clusters—on imports for a
few years back. A committee, raised by the
meeting to night, could prepare the increasary statistics in time for the prepared and agged by that
these

time.

There is no quertion that Pittelungh is just an much entitled to a public building of this Kad is our West entitled to a public building of this Kad is our West entitled to a public building of this Kad is our West entitled to a public building of the keep of the convenient and safe its nection of public buildings. We have seen siders, and that it is just the necessary for the convenient and safe its nection of public buildings. We have seen do not not public building of semple dimensions, and within the stratege entitle forward to the input come time, the hore to the public dimensions, and within the stratege entitle forward to the wheels, and by some means one ig wes factored to the selection of the profit of th memoring can see on graphical and argued by that time.

There is no question that Pitternigh is just as

ing resolution was passed:

Besolver, That we have heard with pleasure of the appointment of our dissinguished whig friend and fellow citizen, the Hon. John Sieane, to the office of Treasure of the United States, and from his unimpeachable facility and marked ability while a hember of the General Arembly, Recurver of Foblic Monies, meinber of Congress, and Speritary of State, we have full assurance that the duties of the new office will be performed to the credit of the officer, and to the satisfaction and interest of the Government and the country. In the confidence and respect of the merghbors, and their condails good wishes for his health and happiners.

Secretary of Sales, we have tried saurance that the desires of the new offices will be performed to the desires of the new offices will be performed to the credit of the officer, and to the saint-script and him the officers of the new board. Leaving the content of the new board of the content of the new board of the content of the new board. Leaving the content of the new board of the new board of the new board of the new board.

The New York Election.

The New York Election.

The New York Election of New York content of the containing of the new board of the containing the new York content of the new York content of the new York content at the new third of the new board of the new York content the new york content the new York content and the new York content is placed. If you can be new York content the new York co

ed in spits of the unfaithful, and in the face of their combination: with political opponents; and their failing to overthrow one of their party's candidate on unjust charges of "meaning" agitation, of Sewardism, of aboltton and kindred enormities, inculcates a losson which we trust they will lay, to beart. beart.

And now let us all hereafter keep or personal preference in their proper place; frankly declare them at all proper times, but not employ them for the perpetuation of a very foolish quarrel. The Whig party of the state has declared its verdict, and though robbed of much of its strength, it has
