CARDINAL WISEMAN'S MANIFESTO. The address of Cardinal Wiseman, in expla-nation of his late apputution by the Poic, a Archbishop of Westminster, has at length been ment. It is looked upon as Lavinnie in the war party. Promis has promised to support the Round-wick protest against the passage of the Federal troops. The Ministerial Journal appeals to the Farihament not to projudge the policy of the Contest.

Archbishop of Westminster, has an individual solution, The Carlosi commences by an introduction, which he terms a brief bisiory of the Catholic bistaroby in England, and the stops by which if has been established. The Critical proceeds to point ent, that doring the whole progress of these proceedings, there was no concellment. The laces were nononous, and be (the Carlosi) was even indiressed as Archbishop of Westmuster. The actions wo fu-roosts anoniced did not, till awas communica-ted, excite any attention.
