INSURANCE.

State Mutual Fire Insurance Company,
HARRISBURG, PA.
THE very liberal patronage extended to this company, having issued policies to the amount of near One and a Half Million of Dollars, during the last three months, is sufficient manifestation of the estimation and confidence of the public in the system of management on which its business is conducted.

To city or country merchants, and owners of dwellings, and isolated or country property, it is believed this company affords advantages in point of cheapness, safety, and security, inferior to no Insurance Company in this country.

Conducted on the equitable and greatly improved system of Classification of Risks, excluding all special hazards, insuring only a limited amount in any one locality, thus precluding the frequency and occurrence of large fires, and also on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.

It is under the control of the following Directors:—John F. Rutherford, A. J. Gillett, John B. Packer, Samuel T. Jones, Alonzo A. Carrier, Philo C Sedgwick, Robert Kloiz.

J. F. RUTHERFORD, Pres't
A. J. GILLETT, Sec'y.
