may?! Accounts, are noting constant in the attent, vaccination meet now in insection to be the most effects of the meet now in meet now in insect now in meet now in solidination, given a certificate of the EX cellence of this popular cough medicine. It will be interesting to all who are affilted with cough, and are easting about for a side and repecty care.—First hearth Daily Post.

Extracel Role Oct. 20, 1859. ACRESTIC AND FOREIGN DRY GOODS TNUTE the attention of bayers to their large et al. of Fresh Goods now opening, and which they repared to sell on very accommodating terms. We skill be constantly receiving fresh goods of the the season, and request the examination of slock by western merchants, and others visiting evity. THESE DIES having been adopted in manufacturers, machinists, ship smalls, e.e., which and Philadelphia, are now olfered to manufacturers, machinists, ship smalls, e.e., which is delicate, as the most perfect article in use or cutting screws. Sidence, as the most perfect article in use or cutting screws, the most perfect and the properties of the control of the con are easting about for a are and speedy core.—Pritabergh Daily Post.

Exchange Hotel, Oct. 19, 1859

Mcsrrs Editors—Having heen for some time past very much afflicted with a severe cold and shoot experience, and all ton effect, I was induced by my make a model of E. E. Sellers' Cough Syrpen, I did so, and no sy great supprise, I received almost immediate relief. It was with the greatest difficulty that I tectured before my respected classes, but on taking a ponnite of the syrup just before entering my lecture room, I could open with perfect case during the entering the control of the syrup pain before entering my lecture room, I could open with perfect case during the control of the syrup pain before entering my lecture room, I could open with perfect case during the control of the syrup pain before entering my lecture room, I could open with perfect case during the control of the syrup pain the perfect of the control of th Cartificates.

PHILDRIPHIA, Aug. 17, 1848.

This is to certify that we have purchased from P.
W. Gates the right of using his patent Dies for cutting holts. In our opinion, his Disa are much superior to any others we are acquained with for the purpose of cutting holts. succh by western merchants, and olicits visiting our city.

WM. DIGHT;

Eq. 136 Liberty, Efrect,

DEUS reprecipility to inform his numerous friends and customers, that he is just receiving his new last succh of CLUTHIS, CASSIDIERICS, and VINTINGS, oith enwert styles, adapted for the approaching fail and winter seasons. All those in want of cheap, is almost long good clothing, will fail the largest, next to proceed the present seasons of the present seasons. All those in want of cheap, is almost the present seasons of the present seasons of the present seasons. The cheap is the present seasons of the present seaso SANDY AND BEAVER LINE.

From Fittsburgh to Columbus and Cleveland, through the rich and ippulous counties of Columbus through the rich and ippulous counties of Columbus Carroll, Start, Tuscarvascas, Coshocton, Muskingum, Licking, and Franklin.

The completion of the Sandy and Beaver Canal opens up to our city through this great natural central routs a direct communication to the hebre as well as the control of the control of the control of the control of the high rate of timeportation, which are now reduced to, the natural properties of the company have bestowed upon this line an interest in the unprecedented advantages of their chairt, and thus secured to the middle portions of Ohio in ordering their goods to BIDWELLS SANDY AND BEAVER LINE, an equal interest in the SECO.
