To Business Men.

We invite business men wishing to advertise, to call and examine the subscription list of the Reporter, and satisfy themselves that it presents a most desirable advertising medium.

Religious.—The Rev. Lutherin Synod of Central Penn., met on the 9th inst., at Pine Grove Mills, holding daily sessions until Monday.

Local News.—We scarce this week. No one would furnish material by having a leg broken or horse burned down.

A Chance for Bargains.—By reference to our advertising columns it will be seen that Mr. Stump offers his valuable farm at private sale.

Mr. Stump also offers the well-known Centre Hall Hotel for sale.

Lightning Rod.—We direct the attention of our readers to the advertisement of Mr. Samuel Harjster, who is putting up the celebrated Star Galvanized Lightning Rod—admitted the best Rod out.

Stensberg & Brandner, still keep getting the latest and best as also the cheapest goods. They do an immense business, which is owing to their establishment having the reputation for being the best place for bargains.

Hoffer Bros, Bellefonte, at their old and well-known stand, still keep offering a complete assortment of Goods at prices leaving but little margin for profit.

Gen. Frazer, President of the Penna Agricultural College has resigned, and has accepted the Presidency of the University of Kansas, at Lawrence.

Keystone Harvester.—On last Wednesday evening we witnessed the working of one of these machines, in a lot near town, which had a very heavy growth of clover; although the grass lay considerably tangled, yet the Keystone went through equal to any other machine that could have been brought into the field.

Conjugal Love.—And the Happiness of True Marriage. Essay for the Young Men, on the Errors, Abuses and Diseases which destroy the Manly Power, and create impotency to Marriage, with sure means of relief.

The following items are furnished by a correspondent from the Loop: We learn that on Monday, the 15th inst., a young man from Clearfield, visiting his friends in the neighborhood of Churchville, this county, undertook to break a colt and was thrown off; the colt sprang upon him and broke two ribs and otherwise injuring him.

Another lesson to young men, handle colts carefully. There, another thief has been discovered on Monday, June 8th, further search had been made for wheat that had been stolen out of the mill at Potter Mills, on Friday night, June 5th, the house of Mr. G. was entered by the Deputy Constable Mr. Joe Schick, but no search was made, as he acknowledged the deed, and gave up the wheat without any difficulty.

Thanks to the editor of the Little Corporal for a most interesting picture of the landing of British troops. Mr. Sewell's keen appreciation of "the true, the beautiful and the good" have already made him one of the best of men and his paper is the very best in the country devoted especially to the interests of the children.

A New Volume—The Pictorial Phrenological Journal for July contains portraits of many distinguished Men, and Beautiful Women. European and Asiatic Beauties—English, French, German, Russian, Grecian, Swedish, Austrian, Polish, Swiss, Dutch, Turkish, and Japanese; also, Lord Brougham, Abbott Lawrence, Zadok Pratt; Peter Von Cornelius; Verdi; Niss; Pittsinger; and twelve Roman Catholic Prelates and Priests; Mahomet, and his Religion.

BALDWIN'S MAGAZINE, for July, is a valuable number. It contains much reading which is entertaining, as well as instructive. Published in Boston.

PETERSON'S MAGAZINE, for July is before us. This number, we say, begins the fifty-fourth volume. Like old wine "Peterson" gets better and better. It has now been published for twenty-seven years, and its unvalued circulation proves it the most popular of the ladies magazines.

Local News.—We scarce this week. No one would furnish material by having a leg broken or horse burned down. However, to make up for that, Centre Hall had three or four organ grinders to the delight of young America, and one run-away which might have been serious, had several persons been killed by being run-over.

Mr. Stump offers the well-known Centre Hall Hotel for sale. Here are splendid chances for investment.

Lightning Rod.—We direct the attention of our readers to the advertisement of Mr. Samuel Harjster, who is putting up the celebrated Star Galvanized Lightning Rod—admitted the best Rod out.

GEO. D. PEPER. THE UNION PACIFIC RAILROAD RECEIVE. A GOVERNMENT GRANT of the right of way, and all necessary timber and other materials found along the line of its operations.

A GOVERNMENT GRANT of 12,900 acres of land to the mile, taken in alternate sections on each side of its road. This is an absolute donation, and will be a source of large revenue in the future.

A GOVERNMENT GRANT of United States Thirty-year Bonds, amounting to \$16,000 to \$14,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, mail, &c. The interest is now much more than paid in this way, besides securing a great saving in time and money to the Government.

A GOVERNMENT GRANT of the right to issue its own First Mortgage Bonds, to aid in building the road, to the same amount as the U. S. Bonds, issued for the same purpose, and no more. The Government permits the Trustee for the First Mortgage Bondholders to deliver the Bonds to the Company only as the road is completed, and after it has been examined by United States Commissioners and pronounced to be in all respects a first-class Railroad, laid with a heavy Trail, and completely supplied with depots, stations, turnouts, carshops, locomotives, cars, &c.

A CAPITAL STOCK SUBSCRIPTION from the stockholders, of which over Eight Million Dollars have been paid in upon the road already done, and which will be increased as the wants of the Company require.

NET CASH EARNINGS on its W. Bonds, that already amount to more than the interest on the First Mortgage Bonds. These earnings are no indication of the vast through traffic that, must follow the opening of the line to the Pacific, but they certainly prove that FIRST MORTGAGE BONDS upon such a property, costing nearly three times their amount, Are Secure beyond any Contingency.

The Company has abundant means in their treasury, and make no appeal to the public to purchase their Bonds, as the daily subscriptions are entirely satisfactory; and they submit that, for entire security and liberal returns, there is certainly no better investment in the market.

The Union Pacific Bonds are for \$1,000 each, and have coupons attached. They have thirty years to run, and bear annual interest, payable on the first days of January and July at the Company's Office in the City of New York, at the rate of six per cent, in gold. The Principal is payable in gold at maturity. At the present rate of gold, these bonds pay an annual income on their cost of NEARLY NINE PER CENT. AND IT IS BELIEVED THAT THEY MAY SOON BE AT A PREMIUM.

The Company reserve the right to advance the price to a rate above par at any time, and will not fill any orders or receive any subscriptions on which the money has not been actually paid at the Company's office before the time of such advance. Subscriptions will be received in CENTRE HALL BY FRED. KURTZ, and in New York At the Company's Office, No. 20 Nassau Street, and by JOHN J. CISCO & SON, Bankers, No 59 Wall St., throughout the United States.

Remittances should be made in drafts or other funds paid in New York, and the Bonds will be sent free of charge by return express. Parties subscribing through local agents, will look to them for their safe delivery.

A PAMPHLET and MAP FOR 1808 has just been published by the Company, giving fuller information than is possible in an advertisement, respecting the Progress of the Work, the Resources of the Country traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices or at any of the advertised agents. JOHN J. CISCO, Treasurer, New York, June 6, 1908.
