A MODEL INSTITUTION.—The Iron City College is an institution not of theories, but of the most rigid, correct and comprehensive practice. It is an entire business world in fact. Every possible contingency is brought into the student's contact and works out independent in the course of his own experience. When a man graduates from this College he has in preparing to do business, actually done business for some time, and graduating is little else than the change from one office to another.

COACH MANUFACTORY. HARDMAN PHILLIPS, HIS manufacturing establishment at Yeagertown, on the Lewisburg and Bellefonte Turnpike, has now on hand a fine stock of Carriages, Buggies, Sulkeys and Spring Wagons, which he now offers for sale as superior in quality and style to any manufactured in the country. They are made of the very best seasoned stock by first class practical workmen, and finished in a style that challenges comparison with any work out of or in the Eastern cities, and can be had at low prices, as they are manufactured in large towns and cities, amidst high rents and ruinous prices of living.

Being master of his own situation, and acting in his own interest, he is enabled to give and free from any annoyances in his business, he has time and ability to devote his entire attention to his profession and his customers, rendering satisfaction alike to his patrons, operatives, his country, and himself.

Call and examine his stock and learn his prices, and you cannot fail to be satisfied. REPAIRING of all kinds done neatly, promptly, and reasonably. Yeagertown, June 12, 1868.—ly.

PROSPECTUS. THE MORNING PATRIOT. The office of the late Patriot and Union having passed into the hands of the undersigned, they propose to supply a vacuum that has long existed in the newspaper press of the interior of Pennsylvania.

From some cause or other the reading matter of the Democratic press of the great interior counties of the State, have been compelled, either to do without the latest news, or patronize journals whose political sentiments were distasteful to them. The Morning Patriot is intended to supply this want.

Its proprietors are determined that no efforts shall be spared, on their part, to make it fully equal, as a newspaper, to any of its competitors. Whatever the electric wires are able to communicate, up to the hour of going to press, will be furnished in its columns every morning; and its large circulation, and its cheapness, will give it a wide and useful range.

As an advocate of sound political sentiment, favoring no faction, clique or sect, and as a champion of the rights of the good of the whole party; as a vehicle of the latest news, and a chronicler of passing events, we are determined that it shall not be excelled; and we confidently expect a discriminating public for that appreciation and encouragement which are indispensable to success.

TERMS: For the Daily, one year in advance.....\$7 00 Six months.....3 50 Single copies, Three Cents.

THE WEEKLY PATRIOT. It is the determination of the proprietors of the Patriot to make their weekly journal fully equal to what the Patriot and Union was in its palmy days. It will be one of the largest weekly papers in the State, and special pains will be taken to furnish it with such reading matter as will be like interesting and useful to the Farmer and Mechanic and the Man of Business, and to make it an agreeable and welcome visitor in every household.

Every person should subscribe to the paper printed in his own county, and we do not mean to enter into competition with the local papers of the State. But, many people use their home paper and a city paper in addition. To such we send greeting.

TERMS: Single copy, one year.....\$2 50 Single copy, six months.....1 25 Ten copies, one year.....20 00 Twenty copies, one year.....35 00 Fifty copies (to one address).....75 00 One hundred copies.....125 00 All orders should be addressed to B. F. MEYERS & CO. Harrisburg, Pa. July 17/68.
