This road, if possible, should erter the eastern portion of our valley, and run westward through the same. [From Rev. Isaac Alken, Alleghany, Pa.] Joseph Fleming. Druggist,

No. 84 Market Street Pittsburg.

Sir:—I take great pleasure in stating that, after having suffered from dyspepsia for about fifteen years, at some periods much more than others, I have been entirely cured by the use of Coe's Dyspepsia Cure. My friends know that of late years my case has been an extreme one. I had great suffering from eating any kind of food and on an average would vomit about one-third of my meals, in a sour indigestible mass. When the severe attacks would come, I would lose all strength and be ut-terly helpless. Some of the attacks would be so severe that for days together I would not retain smything on my stomach, save a little dry toast and tea. For years I knew not what it was to pass five consecutive hours without intense pain. From the time I took the first dose of this medicine I ceased vomiting, gradually all soreness passed away and flesh and strength returned, and ever since I have been able to eat any kind of food set upon the table. Six months have now passed without any symp-toms of the return of the disease, My case was considered by all, even physicians, so maryelous, that for a time it was feared, it might be fictitious; but I am now so well convinced, that I have been not merely relieved, but permanently cured, that I can conscientiously recommend Coe's Dyspep-

sia Cure to all victims of dyspepsia.

The first dose helped me; sia Cure. The first dose helped me; I took it three times a day for a week any was entirely cured; and I believe to-dad that it saved my life. Being attacked in a similar way this season, I took one dose, which put me all right. I would advise every family to keep it on hand ready for immediate use, in case of Summer or Bowel
