Another Outrage by Negroes -Two White Men Killed-The Negroes Captured and Hung.

Augusta, September 11.—On Wednesday night a most horrible murder was perpetrated at Jefferson, in Columbia county, not a great distance from this place. A negro fiend deliberately split open the heads of two white men with an axe, for no provocation whatever. After the deed he attemted to escape, but was pursued and captured by the citizens and taken to the woods, where he was hung to a limb of a tree until dead. His body was left dangling in the air. Great excitement at the time prevailed.

The scalawag is a Southernborn scoundrel, who will do all the carpet-bagger will, and, besides, murder the carpet-bagger for the gutta percha ring his sister gave him when he left home. Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten states, in time of profound peace, to military despotism and negro suprema-cy. It has nullified there the right of trial by jury; it has abolished the habeas corpus -that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures, and arrests, and military trials, and secret star chamber inquisitions for the constitu-tional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered

the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunals, and threatens to curtail or destroy its original jurisdiction which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies, merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President.
