TWO NEW EMPIRE SEWING MACHINES, warranted, for sale at this office.

IRON CITY COLLEGE—A scholarship for this institution for sale at this office, and to be had at a bargain.

LOCAL NEWS.—Our readers are solicited to furnish us items of local interest for publication. Send us the facts only, and we will get them in shape for publication.

Our readers would oblige us, by occasionally mailing a copy of the REPORTER to their relatives and acquaintances outside of our county, especially to such as formerly lived in Pennsylvania.

To Business Men.—We invite business men wishing to advertise, to call and examine the subscription list of the REPORTER, and satisfy themselves that it presents a most desirable advertising medium.

The attention of our readers is directed to the advertisement of Coe's Dyspepsia Cure, in another part of this paper.

This truly Valuable Medicine is recommended by all who use it.

M. A. Lee & Co's Grain Warehouse, at Milroy, is still open for the receipt of Centre county grain, for which highest market prices are paid.

We were surprised last week, in stating that Col. J. H. Stover, formerly of this county, was not elected a member of the 41st Congress.

We had the pleasure of a visit from our friend John, on Thursday of last week. He looks well, weighs 233 in his boots, and he is therefore destined to be one of the weighty members of the next House.

The Bellefonte National has been removed to Bush's new hotel building, near the depot. Outside of politics the National is a readable sheet.

The biggest part of the job of removing this establishment, was the unloading of the paper, to remove which it required 21 men some three days, while the balance of the material was lifted down on three wheelbarrow loads, by Bill Brown and the two Kin-loes.

We last week noticed the untimely death of Mrs. Divine, of Bellefonte, from the National we copy the following:

SMOKING DEATH.—Mrs. Divine an old lady aged about sixty years, met death in her most excruciating form, on Saturday last. Her husband, Peter Divine, who lives near Reynolds's Mill, in this place, says that sometime during the night she went down stairs, as he supposed, to indulge in her accustomed smoke, that she fell asleep soon after she had gone down, and upon waking quite a while afterwards, and finding that she had not returned, he became uneasy, and upon going down stairs to look for her, was shocked at finding her charred remains. She lay near, or on the hearth, and the floor around was burned. It is thought she must have fallen asleep, and her clothing taking fire, that she was suffocated by the smoke, or so sufficed by it, as to be rendered powerless to give the alarm until it was too late.

FRIEND KURTZ.—We saw a piece in the Reporter, of a few ears of corn raised in this section, measuring 12 inches. Mr. Wm. Bohnstedt, of Hartley twp., brought me two ears, measuring 13 inches each, which I send you for your seed-corn.

LIME, COAL AND LUMBER.—The best WOOD COAL BURNT LIME, can be had at the Bellefonte Line Kilns, on the Pike leading to Mifflensburg, at the lowest prices. We are the only parties in Centre Penna., who burn it.

PATENT FLAME KILN.—which produces the Best White-Wash.

Plastering Lime, offered to the trade. The best SHAMOKIN AND WILKESBARI ANTHRACITE COAL, all sizes, prepared expressly for family use.

Silver Brook Foundry Coal.—at lowest prices. Also a lot of first and second quality.

BOARDS, BROAD RAILS, PALING, SHINGLES and plastering laths for sale cheap.

SHORTLIDGE & CO. Administrators NOTICE.—Letters of administration on the estate of Mathew Catzmyer, late of Gregg township, deceased, having been granted to the undersigned, he requests all persons knowing themselves indebted to said estate to make immediate payment, and those having claims against the same to present them duly authenticated according to law for settlement.

JOHN BISHOP, Administrator.

A Tremendous Stock of Goods AT BURNSIDE & THOMAS.

TOYS of all kinds, at BURNSIDE & THOMAS.

A CHALLENGE.—We have received the December number of "Merry's Museum," for young people, and old people too, who have not forgotten that they were once young.

The Publisher, Horace B. Fuller, Boston claims that "Merry" is the best magazine of his kind issued in this country, and challenges comparison. Our readers can decide this point for themselves by sending to him two three-cent stamps for a specimen.

The January number begins a New Volume, which will be further enlarged and improved. Terms, \$1.50 a year in advance.

The New York Independent, published by Henry C. Bowen and edited by Theodore Tilton, a copy of which has found its way to our table, is certainly a great paper. It purports to be a religious journal, but it contains almost every kind of matter likely to interest the general reader, including news, markets, and miscellaneous reading generally. In politics it has always been anti-slavery, and of course now advocates negro suffrage, together with the other "radical" notions of the present day. Nevertheless it is a high-toned paper, and to the intellectual and cultivated offers a rich weekly treat. Price \$2.50 per annum.

BERNEER'S SERMONS IN THE "CHURCH UNION.—Many papers having announced that these sermons would not be printed in the Church Union, we take pleasure in stating that the sermons of this preacher do appear in every issue of this paper, and that they are to be printed hereafter at twelve o'clock on Monday, getting the sermon of Sunday out on the next day. We understand that the publisher of the Church Union promises to print Mr. Berneer's sermons so long as they are acceptable to the Church, and requests all other papers to publish them from his own pages freely.

If our friends want a wide-awake religious paper, unsectarian, and full of interesting matter, the largest and most catholic paper in the world, let them send to Henry E. Child, 41 Park Row, for a copy of this paper, enclosing 10 cents.

SPECIAL NOTICES.

ADDRESS TO THE NERVOUS AND DEBILITATED, whose sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable. If you are suffering, or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky, or floccy, or is itropy on setting? Or does a thick white sediment collect in a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnoea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, mooping, tired of company, or do you wish to be left alone, and get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eyes dimmed? Do you often yawn, or check or brighten? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and gloomy, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have lost little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that those bold, energetic, persevering, successful, business men were always those whose generative organs are in perfect health? They never near such men complain of being melancholy, nervousness, or palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad, discouraged; they are always polite and pleasant in the company of ladies, and look upon them with respect and admiration. They are never afraid of their face—none of your downcast looks or any other meanness about them. I do not mean those who keep the organs inflated with the heat of passion, and who ruin their constitutions, but also those who do business with care.

How many men, from badly-cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idiotcy, lunacy, paralysis, apoplexy, gravel, Dropsy, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BITCHU is the great Diuretic, and is a certain cure for the diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract Bitchu, established since 1828 years, prepared by H. T. HELMBOLD, Druggist, 594 Broadway, New York, and 101 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle, or 6 bottles for \$7.50, delivered, and no address. Sold by all Druggists everywhere.

None are GENUINE UNLESS done up in steel-engraved wrapper, with a sample of my Chemical Warehouse, and signed

H. T. HELMBOLD.
