LOCAL NEWS.—Our friends will oblige by sending in any kind of local intelligence, including deaths, marriages, &c., as well as any other news of interest to our readers. We will be glad to receive a copy of any paper or magazine, or any other publication, if it will be of any service to our readers.

How to Make the Farm Pay, or the Farmer's Book of Practical Information, by C. W. Dickerson, C. L. and others. One of the authors of the above book has been Secretary of the Massachusetts State Board of Agriculture, and has spent many years of his life in the study of the subject of agriculture.

The attention of our readers is directed to an advertisement of C. E. Dyspepsia Cure, another part of this valuable medicine is recommended by all who use it.

Removal.—C. F. Herlach, wishes to have his friends, and the public generally reminded, that he has removed his store to his new brick building, where he will be ready to wait upon his old customers as heretofore, and be glad to favor him with their custom. His stock of goods will be kept up full and complete, as formerly and goods sold as cheap as elsewhere.

Both parties are now under arrest.

ROBBERY.—Port Matilda is improving. It can boast of a burglary. The ticket office was robbed of over two hundred dollars.

LEO BROOKS.—Isaac Beck, of Halmwood has his leg broken last week. Cause—his horse stumbling and falling upon it.

Mr. Boss, of Pine Grove Mills, offers his farm at private sale.

Township clerks, says the Harrisburg Patriot, are required to make out and publish a complete statement of the financial condition of their townships within sixty days after the annual elections, or submit to a penalty of fifty dollars.

The exhibition held at the Oakgrove school house, in Harris twp., on Friday evening last, was a success. No admittance fee was required. The performance was creditable to those taking part.

An exhibition was held at Pleasant Gap last Saturday eve, in the church, which was crowded. The performance pleased the large audience very highly, and all passed off orderly. Forty-one dollars were realized over and above expenses, which go to the church.

GENTS THIS WAY! SUITS: W. W. McClellan, at Bellefonte, would inform the men of Pennsylvania, and his old friends and customers, as well as all others who may desire to be rigged out.

In well fitting, Substantially & Fashionably made suits of cloths, from any kind of material they choose. I would say that I am still in the field, and prepared to accommodate. I have a large and excellent assortment of

FURNISHING GOODS, ALSO, CLOTHS, Cassimeres, & Vestings from which garments will be made to order in the MOST FASHIONABLE STYLE.

All I ask is to call and examine my fine stock. Having just bought my goods during the last panic, I defy competition as to price, durability, and fashion, this side of Philadelphia.

Remember the Place W. W. McCLELLAN, No. 4 Brokerhoff's Row, Allegheny street, Bellefonte, Pa., where cloths, cassimeres, vestings, callars, umbrellas, canes, hats, caps, in short, everything to completely rig out a gentleman, can be had and made up in the latest style.

I am also agent for WILCOX & GIBBS Sewing Machine, which should be seen by all desiring a machine. de25,69y

SPECIAL NOTICES.

TO PHYSICIANS. New York, Aug. 15th, 1897. Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT OF BUCHU. The component parts are BUCHU, LOSSA LEAF, CUBEBES, JUNIPER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gum. Cubes extracted by displacement by liquor obtained from Juniper Berries, containing very little sugar, a small proportion of spirit, and more palatable than any now in use. The active properties arising from this mode extracted.

Buchu, as prepared by Druggists generally, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark odor of Benzoin. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopoeia, nor is it a Syrup, and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation. With a feeling of confidence, I am, very respectfully,

H. T. HELMBOLD, Chemist and Druggist of 16 Year's Experience in Philadelphia, and now located at His Drug and Chemical Warehouse, (From the largest Manufacturing Chemists in the World.)

"I am acquainted with Mr. H. T. Helmbold; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

WILLIAM WRIGHTMAN, Firm of Powers & Wrightman, Manufacturing Chemists, Ninth and Brown sts., Philadelphia.

Helmbold's Fluid Extract Buchu, for weakened powers of Nature which are accompanied by so many alarming symptoms among which will be found, Indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, and feelings of Evil, in fact, Universal Lassitude, Prostration, and inability to enter into the enjoyments of society.

The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or Insanity ensues.

Helmbold's Fluid Extract Buchu, in affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Reticion, Painfulness, or Suppression of Customary Evacuations, Ulceration of Schirrus State of the Uterus, and all complaints incident to the sex, whether arising from habits of dissipation, imprudence in the use of the diet, or in the use of the medicine of the decline or change of life.

Helmbold's Fluid Extract Buchu, in all diseases of the system, arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Comaiva and Mercury, in all these diseases.

USE Helmbold's Fluid Extract Buchu in all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, and it is the only one that strengthens than any other of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. Helmbold's Extract Buchu is the great Diuretic.

HELMBOLD, Druggist, 504 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle, or 6 bottles for \$6.50, delivered to any address. Sold by all Druggists everywhere.

None are genuine unless done up in steel-covered wrapper, with fac-simile of my Chemical Warehouse, and signed mar26,2m H. T. HELMBOLD.

NEW GOODS! Now Opening. The undersigned having purchased the

Centre Hill Store, and replenished it with new goods just purchased at the lowest Cash prices, feel confident that we can give to the best of all who want to buy goods, to give them a call before purchasing elsewhere.

They have placed the store under the control of Mr. Jas. M. Lashell, who has many years experience in selling goods, and who will at all times be pleased to show purchasers and others, goods, and make it an object for them to purchase.

The stock consists of a general assortment of all kinds of goods usually kept in a country store, such as

Dry Goods, Groceries, Queensware, FURNISHING GOODS, ALSO, CLOTHS, Cassimeres, & Vestings from which garments will be made to order in the MOST FASHIONABLE STYLE.

All I ask is to call and examine my fine stock. Having just bought my goods during the last panic, I defy competition as to price, durability, and fashion, this side of Philadelphia.

Zell's Encyclopaedia.

No. 9 and 10, of this great work have been received. They abound with useful information, illustrated with cuts explanatory of the text. This work is going to be a work of valuable addition to every Cyclopaedic literature, as it will contain, when completed, over 125,000 articles, giving every variety of knowledge. Issued in weekly parts, 10c per No. Philadelphia.

Hot for Sternberg! Is the cry all over now. Sternberg and Brandeis are just unpacking a magnificent stock of goods, which is hard to beat. The great Rush is for their store—as all see that bargains are to be had in price and quality. Why is it this house wins such a great custom? Because they deal honestly and always give you the full worth of your money.

HA! at P. M. Caffrey's, near Helmbold's bank, is where our readers find a new arrival of every thing in the line of boots and shoes for men, women and children. This new stock cannot be excelled, and is one of the slighter work seen at Bellefonte. If you need any thing in this line, don't fail to examine M. Caffrey's stock first, else you may be sorry for your neglect. Note this.

Burnside and Thomas have just opened a new stock of goods, embracing everything mentioned in their advertisement, and at a very low price. The Pennsylvania trade should always call around at Burnside's for something fine and nice. Go and see their crystal syrups, it is worth 4 mile's walk to see them.

CALICOES at 7c, 10c and 12c cents per yard, old prices, and all other goods at nearly old prices.
