The citizens of Cen re county, says the Mifflinburg Telegraph, are aroused upon the railroad question. A meeting was recently held at Agricultural College and arrangements made to attend the Millheim meeting. The citizens of Haines township Helmbold's. Take no other. propose to secure enough means to grade the road through their township. This is the most difficult portion of the route and if this can be guaranteed at the Millheim meeting, no other township will hesitate to make the same pledge. All honor to the citizens of Haines. We als + learn that another township having subscribed \$-5,000 to the Milroy route, are willing to transfer their entire subscription to the Lewisburg and Bellefonte enterprise. East Buffalo township, in Union county, hitherto not supposed to look very favorably upon the project, now proposes to grade the road through that township. Keep the ball rolling, friends, and let us meet at Millheim, prepared to pledge the right of way and the grading of the road, and no doubt arrangements can be made to begin the good work in a very short time.

HELMBOLD'S Extract Sarsaparilla clean-ses and renovates the blood, instils the vigor of health into the system, and purges out the humors that make disease.
