

CENTRE HALL REPORTER

CENTRE HALL PA., April, 23.J 1869. THE CLOSING FARCE AT HAR.

RISBURG. The late Pennsylvania legislature, hay ing justly gained for itself the reputation dies that ever disgraced a state, closed its ignominious session on 16th inst., as a sort of mutual admiration society, by going through the farce of a general gift distribution, which is a practice that seems to ers some more definite informabe growing in ridiculousness f om year to tion. year, and is a disgrace to our good old

commonwealth. The scoundrels who have been robbing

Some people wonder why, says the the people, by venal and corrupt legislation, on the last day of the session amused Age, so many negroes are now put in themselves by presenting each other with office. They are not related to the silver ter setts, gold watches, gold chains, President, and, as King Lear says, gold headed cains, and other gifts, which are paid for by monies gotten by corrupt "they never gave him any houses!" members as their hire for supporting bills The putting negroes in office now is to enrich private parties-swindling legis- part of the general negro movement ded in value according to the ability of the which is to be pushed to the bitter end lation. We take it that the gifts were gralegi-lative "rooster" to find paying jobs in spite of the will of the people. The for the ring. A real fat job securee for African race in this country are not the "ring"-master, at the adjournment, a American citizens. The XVth amendsmaller "roosters," besides the the pile of ment, which is intended to give them filthy luers he himself retains for "setting the right of suffrage, has not yet been

up a bill. You men The speaker generally secures his elec- adopted. The spurious, fraudulent tion by premising chairmanships and apratification of it by the Legislature pointments upon important standing comwhich dispersed last week; and unimittees, to the big and little "roosters," with the understanding that of all monies versal execrations, will no doubt be bled out of private parties in order to preretracted by the next Legislature elecyent their bills being killed in committee, ted by the people of this State. The he (the speaker), shall have his fair share hope of its real adoption in Virginia, "of the "diveys," and a tea set or gold "watch publicly presented at the adjourn- Mississippi and Texas is small, indeed, ment, as a "testimonial of his worth and since the last attempt of Congress was impartiality as the presiding officer." We say here what is true, for we have seen the to force those States to agree to it ! It will be remembered, too, that, in elephant.

The corrupt members, the purchasable framing the XVth amendment, it at stock, which often includes the majority of first provided that negroes should hold the members and form the ring, get their office. The extreme negro worshippers \$50, \$100 or perhaps \$50.' for a vote in fainsisted on this-they wanted to be vor of a bill by the passage of which private parties make fortunes, and according governed by negroes ! But, after much as members are skilled in hunting up debate, the more rational radicals prejobs of this kind, so much the "dearer" do vailed, and struck out that part as too they become to their fellow scoundrels. strong for the American stomach, and and so much the greater are they esteemed for their "high and lotty bearing and and the amendment, not yet adopted, propurity," as the gift speeches have it on adjournment day. These fellows then go home to their robbed and outraged constituents, with some nice little gift, to show how their services were valued at Harrisburg and that they were honest legislators, for here is a pretty gift which proves it.

to give him any constitutional right to Ning cases out of ten the member who goes from Harrisburg with a "gift," was do so, the Radicals now have a fine known there as belonging to the ring, and chance to show their contempt of the Chandler approached and was thus. Signed by voting for every sch
