Passengers can now travel through from Philadelphia to Sacramento, California, in a little over eight days, and when the Paci fic railroad is fully completed-which will be shortly-the trip from the east to California will be made in still shorter time.

Some of the Union county folks seem to be agitating the construction of a turnpike from Mifflinburg to the Brushvalley Narrows. A writer from West Buffaloe sends the following communication to the Telegraph: "Several correspondents have referred to the Norrows roads and those leading to your town, (Mifflinburg), within the last year. Now in view of the proposed building of a Railroad and the increased transportation to and from the Brush Valley Narrows, please allow me to make this suggestion, viz: That a stock company be organized for the purpose of construc. ting a Pike from Mifflinburg through West Buffaloe to the Narrows, or as far west as practicable. There are many reasons why this should be done. It would greatly facilitate travel. It would be a great relief to the citizens of Hartley, Lewis and West Buffaloe townships."
