The Democratic candidate for Governor is a gentleman of irreproachable private character, in whom his attached friends feel a just pride.

The New York Tribune was one of the most enthusiastic advocates of Daniel E. Sickles, as a fit person to represent the United States in Europe.

While Asa Packer was "clearing wild land and distributing it," Daniel E. Sickles was "robbing the Broadway postoffice and sitting check by jowl with his and the public's trull in the Assembly Chamber at Albany."

While Asa Packer was amassing wealth and distributing it with a discrimination and abundance to which the beneficiaries of Mr. Peabody alone are equal, Daniel E. Sickles, having been pimp, burglar, mail robber, ballot box stuffer, and defaulter and murderer and Radical.

BUSH HOUSE.

Mr. Rickard, the popular landlord of the Cumming's House, this week took possession of the Bush House, at Bellefonte, where he will be pleased to see all his old friends and accommodate them in first class hotel style.

CENTRE COUNTY NORMAL INSTITUTE.

The teachers of Centre county will bear in mind that the Normal Institute will commence at Bellefonte on 28th inst., under the supervision of Superintendent Magee.

The course of instruction will be that suited to the wants of our Common Schools. All the books used can be procured at Rebersburg.

Students will not be required to pay the County Superintendent any fee for teaching. A tuition fee will be paid by the County Teachers Association, which sum will be assessed by assessing an equal amount on each pupil.

Three annual sessions of this Institute have already been held, and the fruits are plainly seen in the advancement of our schools. It is hoped, therefore, that teachers will avail themselves of the opportunities offered by the Local Normal, in the non-existence of a State Normal School in the District.

VIOLENT HAIL STORM.

A friend from Meigs twp. informs us, that several violent rain storms passed through the upper part of Brushvalley, last week, one of which, on Wednesday evening, was accompanied by a terrific shower of hail, doing great damage to the summer crops.

The farms of Messrs. Samuel and Daniel Brungart sustained the greatest injury—their oats fields being rendered only fit for pasture. On Friday morning Elk creek was as high as at any time during the spring freshets.

Some of the hailstones are said to have measured 2 1/2 inches in diameter.

Chicago has never seen the time when she contained so many persons out of employment as at the present. It is computed that no less than 10,000 men, boys, women and girls are out of work in that city.

Forney wants to be a North Carolinian Senator. He recently bought a large tract of land in that State, to give him a "purchase," we presume.

The Pittsburgh Commercial, the leading Republican journal in Western Pennsylvania, pays the following tribute to the Hon. Asa Packer:

The Democratic candidate for Governor is a gentleman of irreproachable private character, in whom his attached friends feel a just pride.

The New York Tribune was one of the most enthusiastic advocates of Daniel E. Sickles, as a fit person to represent the United States in Europe.

Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUTCHU. The component parts are BITCHU, LONG LEAF, CUBEBES, JUNIPER BERRIES.

MODE OF PREPARATION—Butchu, in vacuum, Juniper Berries, by distillation, to form a fine oil. Cubebis extracted by displacement with alcohol. Bitchu, in fine powder, containing very little sugar, a small proportion of spirit, and more palatable than any now in use. The active properties are by this mode extracted.

Butchu, as prepared by Druggists generally, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and greasy residue. The color of the color of the Bitchu in my preparation predominates; the smallest quantity of the other ingredients are added to prevent fermentation; upon inspection, it will be found not to be a "fictitious" as made in Pharmacopoea, nor is it a Syrup, and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation. With a feeling of confidence, I am, very respectfully, H. HELMBOLD, Druggist and Dispenser of the Year's Experience in Philadelphia, and now located at his Drug and Chemical Warehouse, 594 Broadway, New York.

(From the largest Manufacturing Chemists in the World.)

"I am acquainted with Mr. H. T. Helmhold; he occupied the Drug Store opposite my residence, and was successful in conducting the business; where others had been equally so before him. I have been favorably impressed with his character and enterprise."

WILLIAM WRIGHTMAN, Firm of Powers & Wrightman, Manufacturing Chemists, Ninth and Brown sts., Philadelphia.

Helmhold's Fluid Extract Buchu, for weakness arising from indigestion. The exhausted powers of Nature which are accompanied by so many alarming symptoms among which will be found, indigestion, loss of appetite, Lassitude, Headache, Horror of Disease, or Forbearings of Evil, in fact, Universal Lassitude, Prostration, and inability to enter into the enjoyment of society.

The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUTCHU invariably does. If no treatment is submitted to, Consumption, or Insanity ensues.

Helmhold's Fluid Extract Buchu, in affections peculiar to Females, is unequalled by any other preparation, as in Menstruation, Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schierous State of the Uterus, and all complaints incident to the sex, whether arising from habits of dissipation, imprudence in diet, or the decline or change of life.

Helmhold's Fluid Extract Buchu and Improved Rose Wash will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Copiva and Mercury, in all these diseases.

USE HELMBOLD'S Fluid Extract Buchu in all diseases of these organs, whether existing in male or female, from whatever cause originating, and in a matter of how long standing. It is pleasant in taste and action, "immediate" in action, and more strengthening than any other of the preparations of Bark, or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. Helmhold's Extract Buchu is the great Diuretic.

HELMOLD, Druggist, 594 Broadway, New York, and 101 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle, or 6 bottles for \$7.00, delivered to any address. Sold by all Druggists, Grocers, and Dealers.

NONE ARE GENUINE UNLESS done up in steel-engraved wrapper, with facsimile of my Chemical Warehouse and signature of H. T. HELMBOLD.

PRUNES and DRIED CURRANTS of the very best quality just received at Wolf's old stand.
