FRIDAY, AUGUST 27th 1899.

LOCAL ITEMS

BLANKS—Blank Summons, Vendors, Executions, and Judgment and Execution Note combined, for sale at this Office.

LOCAL NEWS—Our friends will delight in reading the items of local interest, including deaths, marriages, &c. in such as eagerly read by our Reporter. We would esteem it a favor if our kind patrons would occasionally mail a copy of the Reporter to relatives and acquaintances who live in other parts, which would induce many to become subscribers.

CO. No. 41 of Zella Encyclopaedia, have been received, 50 cents per annum. T. Ellwood Zella, Philadelphia, publisher.

COUNTY FAIR—The next Annual Fair of the Centre and Agricultural Society, will be held at Bellefonte, on the 7th and 8th days of October next.

The weather during the last week has been extremely hot and dry. On Wednesday evening a heavy thunder gust passed along the southern portion of our county, but did not touch this neighborhood, save a few drops.

CORN BREAK—A beautiful curiosity in the corn line was left at our office, yesterday. It is an ordinary sized ear of corn encircled by seven smaller but perfectly formed ears, giving the whole the appearance of a crown, sparkling with the golden grain. This nice freak of nature grew upon the land of our neighbor, Mr. Jacob Binges.

Persons prematurely gray can have their hair restored to its youthful beauty, by using Hall's Vegetable Hair Restorer, the best article in the market.

While husking some corn the other day, for roasting ears, we came across a husk which had five ears within it. This indicates that Packer will have an increase of 500 votes in Centre county.

CORNER-STONE LAYING—On the 14th of September, next, the corner-stone of the Evangelical church in Brushvalley, about two and a half miles west of Madisonburg, will be laid. Preachers and friends are invited to attend. Rev. G. Hunter, and S. Smith will improve the occasion.

We are pained to announce a distressing accident to our distinguished fellow citizen, Maj. Charles H. Shriver, which occurred at his farm in Buffalo, on Tuesday, in this wise: The Major drove out with several laborers to whom he was giving directions. While sitting to his feet with an umbrella in his hands, the horse became frightened and made a sudden spring forward, throwing the Major very violently to the ground. His lame limb received a transverse fracture of both bones below the knee, and his head was bruised by the fall. He was obliged to lie in the field where the accident occurred for more than two hours, when Dr. Wilson, of Lewisburg, arrived and dressed the wounds, after which he was brought home. His numerous friends will be rejoiced to know that his injuries are not considered serious, and that he is getting along finely.—Mifflinburg Telegraph.

On the 13th inst., one Albert Brown, a negro, committed a rape on Lenora Harmon, white, aged sixteen years, in Troy township, Bradford county. The family were absent, and the wretch in human form took this opportunity to accomplish his design. The details are of a most revolting character. The negro was lodged in jail on Sunday of last week.

Ex-Senator Lafayette S. Foster, of Connecticut, who was for several years preceding officer of the United States Senate, has accepted the position of professor of the Yale Law School, to fill the place made vacant by the death of ex-Gov. Dutton.

Providence, Rhode Island, claims to have two old ladies living in the same house in that city, sisters, each over one hundred and ten years; they were both born in Ireland.

ADMITTED—Our young friend, John F. Potter, esq., was admitted to practice at the several courts of this county, on last Wednesday. Mr. P. will make his mark in the legal profession, and has our best wishes for success.

A RULE FOR MEASURING CORN.—It may be useful for our farmers to estimate the quantity of corn in grain contained in a bushel, while it is still in the ear, and we present the following Rule, read before the 3rd of August, 1899, at the annual conference of the Southern Agricultural Society, and communicated by them for publication in the Southern Agriculturist:

Having previously leveled the corn in the crib, so that it will be of equal depth throughout, ascertain the length, breadth, and depth of the bulk; multiply these dimensions together, and their product by 8; then cut off one figure from the right of this product. This will give you many bushels, and a decimal of a bushel of shelled corn. If it be required to find the quantity of shelled corn, substitute 4 for 8, and cut off one figure as before.

EXAMPLE:—In a bulk of corn 20 feet deep, 38 feet long, 5 feet broad, and 8 feet deep, there will be 1216 bushels of ear corn, or 608 bushels of shelled corn.

Having previously leveled the corn in the crib, so that it will be of equal depth throughout, ascertain the length, breadth, and depth of the bulk; multiply these dimensions together, and their product by 8; then cut off one figure from the right of this product. This will give you many bushels, and a decimal of a bushel of shelled corn.

RENEWAL

It is a perfect and wonderful article. Cures baldness, restores hair, a better dressing than any "oil" or "pomatum." Softens bristles, dries and keeps hair in beautiful tress. But, above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR.

BEFORE YOU KNOW IT

the bald, gray, discolored appearance of the hair will be gone, giving place to lustrous, shining and beautiful locks.

BUCHU

(From Dispensary of the United States.) DIAPHRAGMATA—BUCHU LEAVES. Their odor is strong, diffusible, and somewhat aromatic, their taste bitter, and astringent.
