Township Meeting

The time for electing township of and a lover of justice and order. The time for electing township of ficers having been changed to the October election, makes it necessary that a time be fixed upon, for meniophing of the office of As ociate Judge in Centre country for fifteen years.

In his younger years he joined the Lutheran Churca, in which Church he remained a member to the time of his death. On Aug. 28th a funeral discourse was definered by the writer, based on Psalms 90, 12, after which his body was taken to the protection of the Bladder and Uretha, Disease of the Protate Gland, Retention or Incominence of Urine, from a loss of tone in the parts of the Body, for we too must die.

The again, we are admonished to be also ready, for we too must die.

The Latest Scientific Inventionadh Calorific.

To give some idea of the peculiarities of the stove in question, me may state that by a highly scientific and patent arrangement the excessive heat on the top of the stove which causes the centre pieces to burn out, is carried around the oven, equalizing the heat of the stove, and causing the bottom of the oven to be just as hot as the top pay of the stove; by this arrangement, there fore, all danger of burning out the centre pieces (usual to all cooking stoves) is effectually obviated. What is near, the fire and oven can be easily regulated to degree of heat, by means of this patent rangement, thus avoiding the necessity of giving the stove constant attention while
