

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met and it is hereby enacted by the authority of the same. That it shall be the duty of each of the assessors within this Commonwealth, on the first Monday in June of each year, to take up the transcript he has received from county commissioners under the eighth section of the act of fifteen April, eighteen hundred and thirty-four, and proceed to an immediate revision of the same, by striking therefrom the name of every person who is known by him to have died or removed since the last previous assessment from the district of which he is the assessor, or whose death or removal from the same shall be made known to him, and add to the same the name of any qualified voter who shall be known by him to have moved into the district since the last previous assessment, or whose removal into the same shall have been made known to him, and make the names of all who shall make claim to him to be qualified voters therein. As soon as the revision is completed he shall visit every dwelling house in his district and make careful inquiry if any person whose name is on his list has died or removed from the district and so take the same therefrom, or whether any qualified voter resides therein whose name is not on his list and if so to add the same thereto; and in all cases where a name is added to the list a tax shall forthwith be assessed against the person; and the assessor shall in all cases ascertain, by inquiry, upon what ground the person so assessed claims to be a voter. Upon the completion of the work, it shall be the duty of each assessor as aforesaid to proceed to make out a list, in alphabetical order, of the white freemen above twenty-one years of age, claiming to be qualified voters in the ward, borough, township or district of which he is the assessor, and opposite each of said names state whether said freeman is or is not a housekeeper; and if he is, the number of his residence, in towns where the same are numbered, with the street, alley or court in which situated; and if in a town where there are no numbers, the name of the street, alley or court on which said house fronts; also, the occupation of the person; and where he is not a housekeeper, the name of the employer, and with whom, and if working for another, the name of the employer, and write opposite each of said names the word "voter," where any person claims to vote by reason of naturalization, he shall exhibit his certificate thereof to the assessor, unless he has been for five consecutive years next preceding a voter in said district; and in all cases where the person has been naturalized, the name shall be marked with the letter "N"; where the person has merely declared his intentions to become a citizen and designs to be naturalized before the next election, the name shall be marked "D. I.," where the claim is to vote by reason of being between the ages of twenty-one or twenty-two, as provided by law, the word "age" shall be entered; and if a person has moved into the election district to reside since the last general election, the letter "R" shall be placed opposite the name. It shall be the further duty of each assessor as aforesaid, upon the completion of the duties herein imposed, to make out a separate list of all new assessments made by him, and furnished the same immediately to the county commissioners who shall immediately add the names to the tax duplicate of the ward, borough, township or district in which they have been assessed.

SECTION 2. On the list being completed and the assessments made as aforesaid, the same shall forthwith be returned to the county commissioners, who shall cause duplicate copies of said lists, with the observations and explanations required to be noted as aforesaid, to be made out as soon as practicable and placed in the hands of the assessor, who shall prior to the first of August in each year, put one copy thereof on the door of or on the house where the election of the respective district is required to be held, and retain the other in his possession, for the inspection free of charge, of any person residing in the said election district who shall desire to see the same; and it shall be the duty of the said assessor to add from time to time, on the personal application of any one claiming the right to vote, the name of such applicant, and mark opposite each name "C. V.," and immediately assess him with a tax, noting, as in all other cases, his occupation, residence, whether a boarder or housekeeper; if a boarder, with whom he boarded; and whether naturalized or designed to be, making in all such cases the letters opposite the name, "N," or "D. I.," as the case may be; if the person claiming to be assessed be naturalized, he shall exhibit to the assessor his certificate of naturalization; and if he claims that he designs to be naturalized before the next ensuing election, he shall exhibit the certificate of his declaration of intention; in all cases where any ward, borough, township or election district is divided into two or more precincts, the assessor shall note in all his assessments the election precinct in which each elector resides, and shall make a separate return for each to the county commissioners; in all cases in which a return is required from him by the provisions of this act; and the county commis-

sioners, in making duplicate copies of all such returns shall make duplicate copies of the names of the voters in each precinct, separately, and shall furnish the same to the assessor; and the copies required by this act to be placed on the doors of or on election places on or before the first of August in each year, shall be placed on the door of or on the election place in each of said precincts.

SECTION 3. After the assessments have been completed on the tenth day preceding the second Tuesday in October of each year, the assessor shall, on the Monday immediately following, make a return to the county commissioners of the names of all persons assessed by him since the return required to be made by him by the second section of this act, noting opposite each name the observations and explanations required to be noted as aforesaid; and the county commissioners shall thereupon cause the same to be added to the return required by the second section of this act, and a full and correct copy thereof to be made, containing the names of all persons so returned as resident taxables in said ward, borough, township or precinct, and furnish the same together with the necessary election blanks to the officers of the election in said ward, borough, township, or precinct, on or before six o'clock in the morning of the second Tuesday of October; and no man shall be permitted to vote at the election on that day whose name is not on said list, unless he shall make proof of his right to vote, as hereinafter required.

SECTION 4. On the day of election, any person whose name is not on the said list, and claiming the right to vote at said election, shall produce at least one qualified voter of the district as a witness to the residence of the claimant in the district of which he claims to be a voter for the period of at least ten days next preceding said election, which witness shall take and subscribe a written, or partly written and partly printed affidavit to the fact stated by him, which affidavit shall define clearly where the residence is of the person so claiming to be a voter; and the person so claiming the right to vote shall also take and subscribe a written, or partly written and partly printed affidavit, stating to the best of his knowledge and belief, where and when he was born; that he is a citizen of the Commonwealth of Pennsylvania and of the United States; that he has resided in the commonwealth one year, or if formerly a citizen therein, and has moved therefrom, that he has resided therein six months next preceding said election; that he has not moved into the district for the purpose of voting therein; that he paid State or county tax within two years, which was assessed at least ten days before said election; and, if a naturalized citizen, shall also state when, where and by what court he was naturalized, and shall also produce his certificate of naturalization for examination; the said affidavit shall also state when and where the tax claimed to be paid by the affidavit was assessed, and when, where, and to whom paid, and the tax receipt therefor shall be produced for examination, unless the affiant shall state on his affidavit that it has been lost or destroyed, or that he never received any, but if the person so claiming the right to vote shall take and subscribe an affidavit, that he is a native-born citizen of the United States (or if born elsewhere, shall state the fact in his affidavit, and shall produce evidence that he has been naturalized, or that he is entitled to citizenship by reason of his father's naturalization); and shall further state in his affidavit that he is, at the time of taking the affidavit, between the ages of twenty-one and twenty-two years; that he has resided in the State one year and in the election district ten days next preceding such election, he shall be entitled to vote, although he shall not have paid taxes; the said affidavits of all persons making such claims, and the affidavits of the witnesses to their residence, shall be preserved by the election board, and at the close of the election they shall be enclosed with the list of voters, tally list, and other papers required by law to be filed by the return judge with the prothonotary, and shall remain on file therewith in the prothonotary's office, subject to examination, as other election papers are; if the election officers shall find that the applicant or applicants possess all the legal qualifications of voters, he or they shall be permitted to vote, and the name or names shall be added to the list of taxables by the election officers, the word "tax" being added where the claimant claims to vote on tax, and the word "age" when he claims to vote on age; the same words being added by the clerks in each case respectively on the lists of persons voting at such election.

SECTION 5. It shall be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such person; whereupon the same proof of the right of suffrage as is now required by law shall be publicly made and acted on by the election board, and the vote admitted or rejected, according to the evidence; every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years, consecutively a voter in the district in which he offers his vote; and on the vote of such person being received, it shall be the duty of election officers to write or stamp on each certificate the word "voted" with the month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of the same certificate, excepting where sons are entitled to vote by virtue of the naturalization of their fathers, they and the person who shall offer such a second vote, upon so offending shall be guilty

of a high misdemeanor, and on conviction thereof, be fined and imprisoned; or both at the discretion of the court; but the fine shall not exceed one hundred dollars in each case, nor the imprisonment more than one year; the like punishment shall be inflicted, on conviction, on the officers of election who shall neglect or refuse to make, or cause to be made, the endorsement required as aforesaid on said naturalization certificate.

SECTION 6. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this act, or the law in that behalf made, or shall admit any person offering to vote whose name is not on the list of assessed voters, or whose right to vote is challenged by any qualified voter, and shall admit such person to vote without requiring such proof, every person so offending shall, upon conviction, be guilty of a high misdemeanor, and on conviction, be fined not more than one hundred dollars, or imprisoned not more than one year, or both, at the discretion of the court.

SECTION 7. Ten days preceding every election for electors of President and Vice President of the United States, it shall be the duty of the assessor, at the place fixed by the law for holding the election in each election district, and then and there hear all applications of persons whose names have been omitted from the list of assessed voters, and who claim the right to vote or whose rights have originated since the same was made out, and shall add the names of such persons thereto as shall show that they are entitled to the right of suffrage in such district, on the production of the evidence of the claimant, and, forthwith assess them with the proper tax. After completing the list, a copy thereof shall be placed on the door of the house where the election is to be held, at least eight days before the election; and at the election the same copy shall be pursued in all respects, as is required by statute and the acts to which reference is made in the general elections in October.

SECTION 8. The same rules and regulations shall apply at every special election, and every separate city, borough or ward election, in all respects as at the general election in October.

SECTION 9. The respective assessors, inspectors and judges of the election shall each have the duty to add to the list of persons claiming the right to be assessed, or the right of suffrage, or in regard to any other matter or thing required to be done or inquired into by any of said officers, any person in relation to any matter or thing concerning which they shall be lawfully interrogated by any of said officers, and the assessor shall be bound to answer the same, and to produce the same to the court, if required to do so.

SECTION 10. The assessors shall receive the same compensation for the time necessarily spent in performing the duties hereby enjoined, as is provided for the performance of their duties, to be paid by the county commissioners as in other cases; and it shall not be lawful for an assessor to assess a tax against any person whatsoever, or to receive any fee, or to receive the election to be held on the second Tuesday in October in any year, or within ten days next preceding any election for electors of President and Vice President of the United States, any violation of this provision shall be a misdemeanor, and subject the officers so offending to a fine, on conviction, not exceeding one hundred dollars, or to imprisonment, not exceeding two months, or both at the discretion of the court.

SECTION 11. On the petition of five or more citizens of the county, stating under oath that they verily believe that frauds will be practised at the election about to be held in any district, it shall be the duty of the court of common pleas of said county, if in session, or if not in session, to appoint two judicious, sober and intelligent citizens of the county to act as overseers at said election; said overseers shall be elected by the court, and shall have the right to be present with the officers of the election, during the whole time the same is held, and the voters counted and the names of the electors and of the election officers; to keep a list of voters, if they see proper; to challenge any person offering to vote, and interrogate him and his witness under oath, in regard to his right of suffrage; to examine his papers, and the officers of said election are required to afford to said overseers so selected and appointed every convenience and facility for the discharge of their duties; and if said election officers shall refuse to permit said overseers to be present, and perform their duties as aforesaid, or if they shall be driven away from the polls by force, or if they shall attempt to vote thereon, or if any one shall vote, or attempt to vote, on any certificate of naturalization issued to him, he shall be guilty of a high misdemeanor; and either or any of the persons so offending, shall, on conviction, be fined not more than one hundred dollars, and imprisoned in the proper penitentiary for a period not exceeding three years.

SECTION 12. If any prothonotary, clerk, or the deputy of either, or any person, shall affix the seal of the office to any naturalization paper, or permit the same to be affixed, or to be used, or permit the same to be given out, in blank, whereby it may be fraudulently used, or furnish a naturalization certificate to any person who shall not have taken and sworn to, or sworn in open court, in the presence of some of the judges thereof, according to the act of Congress, or shall aid in connivance, or in any way permit the issue of any fraudulent naturalization certificate, he shall be guilty of a high misdemeanor; and if any one shall fraudulently use any such certificate of naturalization, knowing that it was fraudulently issued, he shall be guilty of a high misdemeanor; and if any one shall attempt to vote thereon, or if any one shall vote, or attempt to vote, on any certificate of naturalization issued to him, he shall be guilty of a high misdemeanor; and either or any of the persons so offending, shall, on conviction, be fined not more than one hundred dollars, and imprisoned in the proper penitentiary for a period not exceeding three years.

SECTION 13. Any person who on oath or affirmation, in or before any court of this State, or officer authorized to administer oaths, shall procure a certificate of naturalization, for himself or any other person, who willfully depose, declare or affirm any matter to be fact, knowing the same to be false, or shall in like manner deny any matter to be fact knowing the same to be true, shall be deemed guilty of perjury, and upon conviction thereof, shall undergo an imprisonment in the penitentiary for not more than two years and pay a fine, not more than one thousand dollars, for every such offense, or either or both, at the discretion of the court.

SECTION 14. Any assessor, election officer or person appointed as an overseer, who shall neglect or refuse to perform any duty enjoined by this act, or shall be guilty of any legal offense, shall be subject to a penalty of one hundred dollars, and if any assessor shall assess any person as a voter who is not qualified, or shall refuse to assess any
