CENTRE HALL REPORTER.

FRIDAY, OCTOBER 15th 1893.

LAY REPRESENTATION.—The vote in the Methodist Episcopal church on the question of lay delegation is reported by the New York Methodist of last week as follows:

For lay delegation.....140,410
Against.....67,044

Majority for.....73,366

Returns from twenty-two conferences give the clerical vote on the question as stated:

For lay delegation.....1,600
Against.....412

Majority for.....1,188

To carry the amendment it is necessary that it should receive the votes of three-fourths of the members (clerical) of the annual conferences, and this is the only point upon which the friends of lay delegation have been successful, as the result of the lay vote was undoubted. So far in the conferences the amendment has received the requisite three-fourths vote, and has ninety-one votes to spare.

SPAIN.

Madrid, October 7.—The Cortes yesterday passed the bill suspending the constitutional guarantee, during the insurrection. The republican deputies refused to participate longer in the deliberation in the chambers.

The insurgents who retreated from Requas were defeated by General Baldric with a loss of eighty killed and five hundred wounded and many prisoners. The troops lost twenty-three in killed and wounded.

It is officially stated that combats have taken place between the troops and insurgents in Catalonia, Arragon, Old Castile and Andalusia, and that so far the troops have been victorious. At Lacarol and Grenada the republicans destroyed the barracks and made prisoners of the guards. The reports in regard to the embarkation of troops for Cuba are contradicted, and some say it continues notwithstanding the troubles at home, and others that orders have been received at Cadiz suspending for the present the preparations for the departure of reinforcements.

The reported lynching of the negro Quinn is confirmed by citizens of Hartford county. It is stated that he committed a brutal rape on the person of a Miss Reip, aged sixty-five, Hartford county, near the Pennsylvania State line, on Tuesday, the 29th of September, and escaped into Pennsylvania, where he was employed on a farm. His whereabouts being discovered, he was enticed into the State of Maryland and taken charge of by a sheriff and placed on the cars on the North-Central railroad, to be conveyed to Hartford county. On arriving at White Hall station a party of twenty-five persons took him from the sheriff, conveyed him near to the scene of the outrage and hung him.

A Mississippi Radical Judge has just decided that the intermarriage of whites and negroes "is lawful in the State of Mississippi, the law of the State to the contrary notwithstanding."

A woman in Boston recently hrew vitriol over a man who had wronged her, and burned his eyes out. The vitriol splashed over the woman, and she, too, was shockingly burned.

Several of the mechanics at Co.'s armory, in Hartford, Ct., have contracted to go to Russia and make guns for that government. They get more pay than here, and can live cheaper.

A lady in Rhode Island subscribed for a Newport paper, the other day, to be sent to a neighbor who worried her by borrowing her own.

By industry and economy a young man has gained possession of four thousand acres of land, worth some millions, just out of San Francisco, in eight months, and people are so unkind as to suggest a swindle.

The Telegraph says the present by the Harvard crew of their boat to the London Rowing Club was far outdone by the spirit in which it was given, and is sure will be regarded less as a trophy than as a token returned by the skill and grace of the vanquished into a pledge of kindly brotherhood.

The story is going the rounds, of a Kentucky lady who has a pair of twins, with heads shaped like those of snakes. Their father was a copperhead, we supposed.

A Yankee merchant advertises for a burglar. He has broken the key of his safe, and cannot get at the valuables.

A coffin maker having apartment to let, past his bills upon the coffins in the window, announcing "Lodgings for single gentlemen."
