

CENTRE HALL REPORTER
FRIDAY, JANUARY 14 1893

LOCAL ITEMS

LOCAL NEWS.—Our friends will oblige us by sending in any items of local interest, including deaths, marriages, &c., as such are eagerly read by your friends in the west, many of whom get the Reporter. We would esteem it a favor if our kind patrons would occasionally mail a copy of the Reporter to relatives and acquaintances who formerly lived in Centre county and removed to other parts, which would induce many to become subscribers.

BLANKS—Blank Summons, Vendu Notes, Executions, and Judgment and Execution Note combined, Justices Warrants, &c., for sale by J. J. Seese, Office of the Reporter.

ISAAC HAUPP says he has for sale, 2 pair of Bibles, one being for one of his other four houses. Also, Spear's celebrated Anti-Dust and Corrosive Cooking Stoves, and the Revolving Light, which has given entire satisfaction both as a parlor and heating stove, at which will be sold at 10 per cent less than their market value. For Cash, Call on Seese both at Bellefonte or Milesburg.

CHURCH DEDICATION.—On the 9th of January, next, the new Evangelical Church, about 21 miles west of Madisonburg, will be dedicated to the worship of the Almighty God. Several noted ministers from abroad are expected.
S. AURAND.

TO THE FARMERS AND TRAVELING PUBLIC OF CENTRE CO.
As a certain new road has recently been opened in Milroy, commencing near the residence of Holmes Maclay, dec'd, and ending at Wm. Wiley's house, and which route for horses and loaded teams, will be of considerable difficulty in getting through on account of hills and swamps, we would advise you, as friends, to keep the old and main road leading through the town direct to the depot.
CITIZENS.
Milroy, Dec. 7th, 1892.

HIRSCH The Clothing Store of Messrs. Hirsch & Bro., was last week, and this week, thronged with customers from Centre county. As all our readers are well acquainted with Hirsch & Bro., we need not say more than that whatever they MILROY. Buy there, proves satisfactory. Hirsch & Bro. are honest and upright men. HIRSH & BRO. Sale of personal property of Eliz. Neese, Gregg twp., Feb 2.

Rev. C. F. Hoffmeister, formerly of Rebersburg, now at Halifax, Dauphin co., had a large donation made him, on New Year's eve, of wheat, potatoes, apples, &c., were brought in abundance, he was also presented with a purse of money, and his wife received some very fine table linen.

DEDICATION.—The Spring Mills M. E. Church, will be dedicated, on next Sabbath, 9th. Prof. Bowman, of Carlisle, and other ministers will be present. The public are invited to attend.

COM. CLERK.—Mr. Wm. Fury, on Wednesday, was elected clerk to the county commissioners; Mr. Fury is thoroughly booked upon the duties of office.

SUDDEN DEATH.—The wife of Mr. John Kimport, died very suddenly, on the morning of the 2nd inst. Mrs. Kimport had been in the burn-yard, attending to some duties, and upon her return to the house, it was noticed that something was wrong with her; she shortly after fell over, and expired in about two hours thereafter. Her age was about 70.

Mr. E. W. Dale, of Spring twp., killed a large water snake, on the 2nd inst. The reptile was quite lively and had evidently crept out to see whether summer was coming on.

We acknowledge the receipt of "complimentary" to the Brainard-Fury lecture course, commencing with the "Fetters" H. G., January 25th, next.

Mrs. Harry Forster has purchased the stock of goods belonging to Gilliland & Co., Bellefonte, and will carry on in the same rooms, Bush's Block, Bellefonte. Success to him.

HIGH WATER.—The heavy rain on Saturday night and Sunday took off the large bodies of snow lying in the mountains, in consequence of which the streams rose very rapidly, and the floods did some damage.

In Curtis township, this county, on the morning of the 28th ult., the house of Robert Mann was totally destroyed by fire. Mr. Mann arose early in the morning, made a fire in the cooking stove and retired again to bed. When the family was aroused the fire had made such headway that nothing was saved.

On the 12th ult., the eldest son of Mr. George Quick, of Marsh Creek, while chopping wood, accidentally sank the axe deep into one of his feet, almost severing the heel from the front portion of that member.

Mr. Michael Harper, of Aaronsburg, killed a hog, a short time ago, which weighed, when dressed, 650 pounds.

The Festival.—The Festival given by the Centre Hall U. S. S., on Christmas eve, was a fine affair. The tree was a beautiful one, and looked brilliant with its five hundred gifts. Short addresses were delivered by Revs. King and Miller, and Mr. John H. Harpster. Rev. King gave an interesting historical account of Christmas. Rev. Miller had a happy address on the children, and riveted their attention as was shown by their prompt and correct answers to his questions. Mr. Harpster gave an account of the early history of the school which was full of interest. The music by the choir, under the lead of Mr. H. Dasher, was charming. The holocaust passed off creditably and to the utmost pleasure of the crowded audience.

WEDDING FEAST ON WALNUTS.

"What's in a name," we often say, and add, "a rose with another name would smell just as sweet," and we might coin a phrase and say, "what's in a wedding feast?" very often it is gotten up at an expense of thousands, while the fact is, the percentage of gay and brilliant marriages which do not last any time, is greater than those which take place in an humbler way. But, what we wish to relate, is this: John and Sally, living in the same neighborhood, not out of our valley, had a sweet courtship of nearly two years duration, when they became tired of single blessedness, and betrothed themselves of becoming one. They were not "rich on both sides," or either side, by any means, hence they sensibly took the straightest cut to economy, and sent for a squire, who made his appearance at the proper time, and the two were made one. After pocketing his 50 cent fee, the justice turned to depart and was followed to the gate by the happy couple, and bowed "adieu," when Sally quickly turned to her loving spouse, and said, "Now, John, let's go and crack walnuts." And the walnuts were cracked and feasted upon, and though the affair took place some years ago, the knot still remains tight, although it had originally been celebrated by a feast upon walnuts.

THE WEATHER.—Old 1869 passed out most beautifully; last Friday, Dec. 31st, the sun shone from a calm and clear sky, and the weather was mild and spring-like. 1870 was ushered in nearly as lovely as marked the going out of 1869. Saturday, Jan. 1st 1870, was slightly clouded at times, and the atmosphere somewhat colder than the day before, winding up with rain at night, which continued until noon, next day, Sunday 2d. Monday, 3rd stormy and cold.

CHAIN OF EGGS.—Our neighbor, Mr. Daniel Keller, a few days ago, left at our office an egg—or concatenation of eggs—which is quite a curiosity, consisting of three eggs linked together. The one is of the ordinary size and shape, but from its point dangles another egg formation, about 1/2 inches in length and 1/4 inch in diameter, cylindrical shape and hard shell, at the point of which hangs another of the same length, of less diameter and hook shaped. The bands connecting this chain, are soft, and seem to be a portion of the lining next to the shell, continuing through the inside of the chain. This freak of the hen can be seen at our office.

IMPROVEMENTS.—We are pleased to learn that the erection of no less than half a dozen new houses, at this place, are already in contemplation for next summer. Centre Hall is bound to grow.

SOLD.—The farm of George W. Spangler, in the Loop, which was advertised for sale in the Reporter, was sold a few days ago to Jacob Meiss, Jr.

IF you would have a good thick head of hair, use Hall's Vegetable Sicilian Hair Renewer. No other like it.

ROBBED.—The store of Mr. Levi Miller, at Bellefonte, was robbed on Christmas night, of a watch, pair of boots, and a few other articles. The thief or thieves effected an entrance by cutting a hole through the door, large enough for a hand to pass through, and pull the bolts which fastened the door inside. The depot was entered some night, and 50 cents stolen, which was all the money that could be found in the office.

SCHOOL HOUSE BURNED.—The school house, known as Dinges, school house, about 1 mile south of Millheim, was burned down on last Christmas morning. All the books and other contents were burned. We did not learn the origin of the fire.

T. J. Neese wants his Vendu notes paid up positively. See his advertisement.

SABBATH SCHOOL INSTITUTE.—The first district institute of the Centre County Sabbath School Association, will meet at Rebersburg, on Tuesday, January 11th, next.

Sp. Ettinger, of Woodward, has been appointed A. S. Appraiser. This is a good appointment.

The gentlemanly foreman of the National office, Mr. R. A. Kinaloc, has presented us with a set of "White's Newspaper Files," for which he has our thanks. These files are the most convenient we have yet seen, and of all sizes, to suit for filing newspapers, pamphlets, magazines, letters, &c. and cost but a trifle, and we recommend them to all persons, in any kind of business for the orderly preservation of their papers. Each subscriber of the Reporter should have one. These files can be seen at our office, also at the various printing offices in Bellefonte, at the rooms of the Young Men's Christian Association, and at various other places. They can be obtained only of Geo. O' Bryan, dealer in school and miscellaneous books, stationary, news, &c., Bush House.

Make friends of none in whom you have not implicit confidence—whom you cannot trust in all places and at all seasons. The best friendship you can make is that which is based on those feelings which spring from the observance of sacred truths.

Brandreth's Pills, they remove all bad accumulations from the bowels, and purify and invigorate the system. All whose health is not perfect owe it to themselves to take a few doses of Brandreth's Pills, because the seeds of decay are constantly eradicated by their use, and the principle of life confirmed, thus giving a vigor of body and mind to a period when we have been used to see the faltering step and the enfeebled intellect.
—Gen. Paex, the distinguished liberator of Venezuela, says he has used them as his only medicine for thirty years, with the most satisfactory results.
—For Costiveness, Dyspepsia, and as a Family Medicine they are unrivalled.

—Daniel I. Tenney, Esq., Astor House, New York, cured by Brandreth's Pills of Dyspepsia and Costiveness, when all other means used had failed.

—A gentleman, whose father died of consumption at 36 years, was also attacked when about 21, by the disease. He had cough, night sweats, and general debility. Doctors recommended cod liver oil, but he wasted away. At last he determined to use Brandreth's Pills. In two months they made him a sound man.

IMPORTANT NOTICE.—Farmers, Families, and others can purchase no Remedy equal to Dr. Tobias' Venetian Liniment for the cure of Cholera, Diarrhoea, Dysentery, Croup, Colic, and Sea Sickness, taken internally—it is perfectly harmless; see each accompanying card (bottle) and externally for Chronic Rheumatism, Headache, Toothache, Sore Throat, Cuts Burns, Swellings, Bruises, Mosquito Bites, Old Sores, Pains in Limbs, Back, and Chest. BEST CABINET ORGANS AT LOW PRICES.
That the MASON & HAMLIN CABINET and METROPOLITAN ORGANS are the best in the world is proved by the almost unanimous opinion of professional musicians, by the awards to them of Seventy-two Gold and Silver Medals, and other distinguished premiums, at principal industrial competitions within a few years, including the Medal at the Paris Exposition, and by a sale very much greater than that of any similar instruments. This Company manufactures only first-class instruments, and will not make "cheap organs" at any price. Having greatly increased their facilities for manufacture, by the introduction of new machinery and otherwise, they are now making BETTER ORGANS than EVER BEFORE. Increased economy of cost, which, in accordance with their fixed policy of selling always at least remunerative profit, they are now offering at prices of inferior work. Five Octave Organs, Walnut Case, Front and Side, for \$20.00. Double Reed, Solid Walnut Case, carved and paneled, with five Stops (Viola, Diapason, Melodia, Flute, Tremulant), \$25.00.
