Important Decisions. In Chester county Judge Butler re cently gave a decision settling the question of bidders or "puffers" at public sales. A stilt was brought to recover \$1,645 00 on a note given as the purchase money of real estate. A gentleman who had purchased property at were present at the time other bidders or "puffers," and he refused to take the property. The Judge decided that if a party procure men to bid up property, and the person who buys it is deceived thereby, he can not be held to

The Supreme Court of Pennsylvania, Judge Read delivering the opinion has recently decided that a bond drawn in the name of one obligor, and signed and sealed by him and four others, is the joint and several obligation of the five persons. If the words are, "I promise to pay," and there are many signers, the instrument contains the several promise of each and the joint promise of all.

a United States Assessor is Sustained by the Court.

An important decision was rendered last week in one of the Pennsylvania courts in Philadelphia regarding the income tax and the powers of the as sessors. The points of the counsel for the defendant, who was prosecuted for refusing to deliver his books to the assessor of his district, were decided to be well taken. The following is a statement of the case from the Philadelphia Press

The case of George Doll, of the firm of Geo. Doll & Co., importers of fancy goods, heard on writ of habeas cor bus to be discharged from arrest beto the United States assessor, was gard for the comfort of it, by way of after; when, I assured him they A Startling Disclosure Soothing same poet, speaking of the same young heard vesterday. Mr. Sharpless, for the defendant, made the following points, which are of interest to every"

First. That the 116th section of the act of June 30, 1864, under which the income tax is levied, is unconstitulevy a capitation, or at all events a direct tax, by the rule of uniformity

and not that of appointment, Second. That so much of the 14th section of the same act as invests the assessor with power to compel a citizen who has once made his return of income under oath, to produce his books

tutional and void, as infringing upon he provision of article fifth, amendments of 1789, constitution of the United States: "Nor shall any persons \* be compelled in any criminal case to be witness against him-

Third. That the power sought to be conferred upon the assesses by the last section is really the "judicial power of the United States," which by the constitution can only be exercised by judges, holding their offices for the term of good behavior, and not by officer who are removable at inst. announces that a man named any moment, probably at the discre- John Logan, sixty yeare of age, was tion of the President, certainly at that arrested at Pottsville, charged with ago?" de did I was such a constant arrested at Pottsville, charged with ago?" of the President and Senate.
