The radical scamp he has been!

Week the Republican had a community of \$100.

Week the Republican had a community of \$100.

The next election, in 1864, we had another big fight, and were again victorious by 58 majority—then we polled der them, and shout continually as they go along through the throng, to those after only county seat in after opinion may be a said road and carry of the Secret Service Department, on the State that was not an incorporated to with the charge of being implicated with the has at last been incorporated and made when ten or more when the or more chize has been dragged into the mire and prostituted to further the ends of the radical party. We put the question to every radical reader of the Reporter, is it not humiliating that the radical party of these radical papers do not only in their own manner, and got control of the same a hotel bil, votes polled—no opposition. In 1869, I was sick and not expected to live, while traveling to Harrisburg. Now which opportunity they quietly embraced to lay all their plans to overpower me; they controlled the election in their own manner, and got control of these radical papers do not only in their own manner, and got control of the board by deputing the contact or interfering with which time various amounts have been things have come to this, under the sponge their whiskey and their gran the opposition to vote, and consequent to at least a hundred thousand dollars—the amount of Bailey's Bond. In out think of taking a lady into it, not even in a sedan chair, which is the or-large sums of money received by Bailey twenty-seven of its population. This is a ting back exam by the negro vote of his district, because that element, he ing ignorant and unable to read, can not be informed of his disgraceful conduct? Such things were unheard of under? Such things were unheard of under? Democratic rule, and least of all, were there any cases from the Southern States, so long as the whites get a full and flat contradiction of the

The residers of the Reporter are Write to J. C. Motz, a strong rad, and nearly all acquainted with Rev. P. S. he'll tell you that you lied. Fisher, who left this valley some twelve years ago, and moved to Bucks and Connellsville railroad is raising county. We are happy to inform them the price of lands along the route wonthat this highly esteemed German Ref. derfully. Coal lands in the "Yough minister still feels an interest in the Region" are bringing from \$300 to welfare and prosperity of his old home, and talks railroad in the right strain, and backs it up by taking stock. Mr. Fisher owns a farm in Gregg township and naturally wants it to enhance value, and is satisfied that a railroad will do this. When solicited for subscription to the L. C. & S. C. R. R., he responded at once, and wrote to Maj. J. B. Fisher as follows:

farmers will have a chance to sell their without delay, and those who have been absent less than any other memproperty will do their share. All op ber, and sickness is what compelled ests be waived for the good and benefit about it, or are not willing to do their has, thus far, been faithful to his conpart with the rest, would perhaps bet stituents, and steadily east his vote in ter move out of the valley. The people along this road (North Penn'a R. R.) here know the benefits of a railroad -not only those living near stations, but also those living a distance off. I withstanding a read visitely may see y am confident that they would not now do without it, if it would cost double as much as they paid for it." and and

This is the experience of Rev. Fisher, as to railroads, and it is what every Rev. Fisher, no doubt, would

The Railroad Going Ahead.

We again assure our readers that of the L. C. & S. C. RR. It will be of "sarkasm" at his expense. extended from Lewisburg to Miflinburg, the coming summer, as our readers will see from the following, which we copy from the Mifflinburg Tele-

The Mifflinburg Railroad Committee last week concluded arrangements with the officers of the Lewisburg, Centre & Spruce Creek Railroad and the Penn'a Company, for the extension the road under contract until the whole line could be let, were put out of the same place and by the "fast line." His father was killed five years ago at the same place and by the line could be let, were put out of the same place and by the s

assurance that the road For the Reporter. would be put under contract as soon as our subscription of \$40,000 was com-
