Domestic Sewing Machine. The New Domestic Sewing Machine makes the lock stitch alike on both sides, and has a self adjusting tention, which requires no alteration in changing threads or in sawing different thicknesses. The working parts are made of the very best quality of steel, and is so constructed that it cannot get out of order, unequalled in simplicity and durability. It will sew over thick seams or uneven places, drawing the stich perfectly without missing. Where real merits exist, blowing and misrepresentations are unnecessary. We attempt only a plain statement of facts which we can support and which the machine itself will prove to be true. It sews in the neatest and most substan-

SUDDEN DEATH .- Our community was startled on last Subbath morning by the announcement of the death of Mr. Wm. Keller, an old and respected citizen of Potter twp., and a member of the board of county commissioners, in which position he had shown so great devotion to the interests of the county. Mr. K's death was caused by heart disease, to which he had been subject, and of which he had an attack on Saturday morning previous to his death, which followed on the next morning, about 11 o'clock. His funeral, on last Tuesday morning was one of the largest ever witnessed at Centre Hall. Fur-ther particulars will be found in our obituary column.

As this death causes a vacancy in the board of commissioners, the same will be filled by an appointment to be made by the court and balance of the board at once. Mr. Keiler was the outgoing member of the board.
