Important information for Fruit-Growers How to Externinate Curculio.

From the St. Joseph (Mich.) Herald, May

The importance of this subject; the demand for prompt and persistent action; the absolute necessity of arousing every peach, plum and stone fruit grower to destroy the curculio, has led the editor of the Herald, as secretary of the St. Joseph Fruit-growers' Assotiation, to issue this extra. Not a single day shoud be lost, for with united action 500,000 curculio may be killed in
