

CENTRE HALL REPORTER. CENTRE HALL, PA., JUNE 10th, 1870.

Bill Armstrong is no longer "Bill' Armstrong he is Dodger Armstrong, have to present the ignominous record which is the title that has been given him at Washington since the vote upon the pig iron resolution.

the Bellefonte Republican, having dis- every Democrat and Republican in posed of his interests to Capt. Barger. Boyd's waildictary appeared last week, gage in more honorable than publish- tax, and for the repeal of which the The other young lady reminded me ing a negro equality sheet.

he may not get spoiled by being in tion, then for continuing the inquisacompany with Bill Brown. Pecu- torial measure, and heaping unjust niarily we wish him success.

Question.

If dodger Armstrong helps to vote away seventy million acres of lands be deducted, the year were 78, and the great land thieves if elected for next the burdens of the government, by term? I be to touch stall on while

Reader, honest republican, if you want an acre of this land you must 18th congressional district? pay a stiff price for it, now can you call it just to give it to the thieving on the proposition to lift the odious inspeculator in million acre lots, -in sec- come tax from the shoulders of the tions larger than some of our stateswithout these sharks having to pay a cent for it? If you approve of this notorious stealing policy, then vote for Armstrong again.

Where the Taxes Stick.

The people often wonder where all the money goes to, which is paid in the shape of taxes. We often attempted to show it in these columns, heretofore, and can give the dear, patient readers of the RPEORTER a this is the true record made for himof the Treasury recently sent to the Friday, in the House of Representations, and didn't know it was wrong House of Representatives a list of some tives at Washington. three hundred and fifty Collectors of Armstrong's votes show his doctrine Internal Revenue, who have not paid to be, to enrich the speculators by do- ence meeting I heard a young lady over the public monies collected by nating him millions of land without tion, and, I am sure, with the fullest them. These officials are in arrears cost, and making the poor emigrant sincerity, declare her desire to be all to the Treasury millions of dollars, pay for every foot he gets; and in her blessed Master would have her to and no doubt are all the while cutting favor of exempting the bloated bond- be. My heart went out to her in a big swell and driving big speculations with the people's money, when if infamous income tax upon the less forjustice were meeted out to them, they tunate class of the citizens. And this would be serving out a term in the penetentiary learning some trade.

doing in congress. This is another little "side issue," as the Bellefonte Republican would remark, hence we dwell no longer up-

on it win test tony a funivary being Another Radical Defaulter.

NEW YORK, May 26 .- The books of John M. C. Marsh, late Colletor of Taxes for Westfield township, New Jersey show a deficit of \$14,000, and suit has been commenced against his securities for the recovery of that sum.

This is a very common thing since the government passed out of the hands of the democratic party in 1860. when rascality was an exception and honesty the rule -but with the upturning of the constitution of our fathers, the country has also suffered a complete upturning in morals, and now, under radical domination, we and the 'carpet baggers' seems comhave rascality in office holders the pletely dissolved. rule and honesty a rare exception. Well it is all right, we guess, for it is the "God and morality party," and the Bellefonte Republican will not say a word about it, as it is all a "side is-

THE LAST R. R. MEETING.

The last meeting, to further the construction of the our railroad, will be held at Centre Hall, on Friday, 10th iust. The committies on subscriptions, from all the townships will be present to report progress, and the occasion will be embraced to make a last and final effort to raise more means to their indignation at the defeat of their grade the road, and if the material aid | tactics, and for maintaining a stubborn s not forthcoming, then our railroad project will be abandoned and our people han led over to the sneers and redicule of their wiser and more enterprising neighbors of other parts, as Lucking enterprise, liberality and go-adeal ativeness, in a matter which would so vastiy benefit them, and their posterity. Citizens, once more we say, waken up, the last hour is come if the stock is not now raised to grade the pond then its grave is dug.

eral conflicts between the rebels and The officers of the Penn'a R. R. the government troops have already Co., who passed through here, last taken place, and in all the encounters the rebels were victorious. The Chiweek, say the road will pay and are nese officials in the disaffected region astonished that our citizens are so inare much alarmed, and couriers are different, they say their company will constantly arriving at Pekin with urfurnish two thirds of the means, and gent appeals for reinforcements. Meanonly ask of us the remaining third, while the insurrection is gaining More they will not do, and more we ground, and the rebels are moving upon Oorga, a Mongolian settlement, under the protection of the Russians, who will defend the Mongolians from the attacks of the Mohammedans.

Two More Bad Votes by Armstrong.

Wm. H. Armstrong, our member of Whittemore is re-elected to Congress Congress, seems to be using his best from South Carolina. The returns endeavors to make himself odious to are not all in, but enough is known to his constituents, by persistently easting his votes with the corrupt rings, and in direct opposition to the wishes and in direct opposition to the wishes and interests of those whom he represents, and of the people at large. In possible in that State, so as to encourthe first place, duty compelled us to age matrimony.

A few evenings since, at an experi experience that evening, none was more remember that at a plain and pleasant shim what would you say?" social gathering a few evenings before, she was so adorned and embellished and elaborately arrayed that I should not have presumed to advance the topic of our Lord and his life and teachngs, for there was nothing in the outward garb to pre suppose a welcome to any such subjects, and yet I know her to be a good and worthy girl, sensible and intelligent on other subjects. What a pity! What a shame! Nothing is farther from me than to impose a uniform, a drab flock, or an absurd plainness that attracts notice and inpublicans, and a new Convention will probably be held. It is feared by some of the leaders of the parts. every professed follower of a crucified Redeemer is bound, by that profession, to follow .- N. Y. Observer.

> ATHENS, June 3 .- Several more brigands have been captured, and after a short investigation they were sentenced to be executed and have since been beheaded.

> LIVERPOOL, June 3 .- The tide of migration to America is increasing. No less than 21,000 emigrants, mainly Irish, left this for various Ameriean ports during the month of May. Nine-tenths of them went to New

A father who lives at Portland, on Monday, punished his son for chewing tobacco, by making hin stay out and chop wood until nine o'clock at night, then soft-soaped and washed his mouth until it was raw, after which he crammed it full of of pepper and thrust the boy into the cellar. A brother let the lad out during the night, and the little fellow took a train or a boat for unknown parts. It is said that his mouth was so raw and sore that he was unable to speak, and had to write tense, and the opposition seem to gain what caused it.

Chicago, June 5 .- During a thunder storm yesterday six men, among a party of workmen who taken refuge in a barn, were struck by lightning and three of them instantly killed, one so badly burned that he may be crippled for life, and the others stunned. The Christian church, in Walnut street. was struck and the steeple and roof partially demolished. Had it occurred during services many would doubtless have been killed.

Ex-Governor Wm. F. Johnson is a candidate for the democratic nomination for Assembly, and Col. Sirwell for Congress, in Armstrong county.

The term of Hon. James Thompson, Judge of the Supreme Court, will expire next year. He will probably be the nominee of the democarcy for reelection.

Helena, Montana, June 3 .- The heaviest spring storm of snow and rain ever experienced in this Territory has just subsided. Snow fell to the depth

Neat Simile.

A paper puts a matter which it wishes to enforce in the following neat simile: "You might as well attempt to contrast, that the impulse was quick to shampoo an elephant with a thimbleful of soapsuds as attempt to do business and ignore advertising :"

Another writer puts it thus; ng to do business without advertising seen. There was nothing about her is ike winking through a pair of green goggles. You may know you are do-

"What would I say?" repeated the youngster; "I would say, shoo fly, dont bodder me; I'm bound for Sunday school."

John Hale, an Indian horse-thief, who has spent most of his life within the walls of a prison says he shall be satisfied if he can die on the back of a stolen horse.

Simon L. Rhodes, of Reading, died from injuries received by a board striking him in the throat while work in the planing mill. Mr. Ed. Embree, of Lancaster coun'

ty, was stung in the ear by a common honey bee, on the 22d inst., and died in a half an hour from the effects. The number of immigrants that ar-

rived at the port of New York last week amounted to 12.687. HORRIBLE MURDER. Raleigh, May 31 .- On Wednesday morning last three men went to the house Daniel and Neill McLeod, brothers, living in the western portion of Cumberland coun-

ty, and murdered both. They also badly wounded the wife, daughter and son of Neill McLeod. The McLeod's were peaceable citizens and highly respected by the neighbors. An oil train on the Atlantic and Great Western Railroad took fire yesterday morning, while approaching Cleveland, The fire communicated to the railroad bridges

over the Cuyahoga river and the Ohio ca nal, and destroyed them. A frame building, occupied by the Kritch & Crane Manufacturing Company as a machine shop, was damaged to the extent of about wenty thousand dollars. It is covered by nsurance. The loss to the railroad company has not been ascertained.

Carraccas. May 31 .- On the 27th ult. this ity was taken by the revolutionary forces nder command of General Guzman B'anco after a sanguinary conflict of forty-eight hours. Over five hundred men were killed and much damage done to the city.

A frightful railway accident occured esterday morning about two and a hall miles from Patterson. N. J. The construction tion train on the Delaware, Lackawani and Western Railroad was precipitated from a trestle bridge thirty feet high, and several killed and wounded The master several killed and wounded The master carpenter, Campbell, and six other carpenters were instantly killed. Between thirty and forty workmen were shockingly mutilated. The scene baffles description.

Many men are buried in the ruins. The moans and cries filled the air.

An Irishman, the other day, being as ked when he ever saw such a warm winter at this, replied. "Last Summer, be jabers!" Paddy's decription of a fiddle cannot be beaten. He says: "It is the shape of a New Goods turkey, and the size of a goose; the man New Goods turned it over on its back, and rubbed its belly wid a long stick; and och, by St. Patrick! how it did squeal!"

A Montana vigilance committee caugh a very obnoxious character, set him on his mule, and told him he had precisely fifteen minutes to leave the country in. He replied; "Gents, it this mule don't balk, five'll answer!"
