THE RAILROAD.

Meeting at Centre Hall—The Money Raised.

THE ROAD TO BE BUILT.

As was announced, in last week's Reporter, there was a meeting of the township committees in this place on last Saturday afternoon. Every township, excepting Miles, being represented. The meeting was organized by electing Col. Islet, of Ferguson, chairman, and W. H. H. Brainerd, Sec'y, after which the President of the road, Hon. Geo. F. Miller, arose and stated the object of the meeting, which was called by him, for the purpose of ascertaining from the chairmen of the different township committees, whether the means had been raised to grade the road, and if not, whether they were prepared to pledge themselves for the amount lacking, upon which now depended the success of the enterprise. As he was to meet the officers of the Penn'a R. R. Company, at Philadelphia on the coming Monday and report, the matter would have to be settled at once—the last moment had now arrived, if the amount required for grading the road was not now raised, or guaranteed at this meeting, the L. C. & S. C. R. R. is dead, and no doubt, dead forever.

Mr. Miller stated that \$200,000 would be required to grade the road from the Union county line to Boolsburg, which includes the Haines township Narrows, and that all money raised in the county should be spent in the same.

Mr. Miller then read his report of the amount obtained in the various townships as follows:

Table with 2 columns: Township Name, Amount. Includes Harris (\$25,000), Potter (25,000), Gregg (37,000), Penn (20,000), Haines (16,200).

Total \$123,200. The amount required from these townships, to grade the road to Boolsburg was \$200,000, hence the above subscriptions were \$77,000 short, which deficiency must be guaranteed before his meeting with the officers of the Penn'a R. R., in Philadelphia, next Monday, 13th. Should these guarantees be given him now, then the work goes on immediately; if not, then it will be abandoned.

In addition, he reported subscriptions from localities west of Boolsburg, as follows:

Table with 2 columns: Location, Amount. Includes Huntingdon county (\$9,950), Col. Islet reports (10,000), Ferguson twp. (28,000).

This stock to be applied at the west end. Mr. Miller stated, also that Union county was prepared to grade the road to their county line.

Having then been requested by Fred'k Kurtz, to state for the information of the meeting, as to what was going to be done with the portion between Lewisburg and Millifinburg, whether a letting would be had soon, and whether there was an earnest desire to push the work on to Millifinburg, Mr. Miller replied: Millifinburg had raised enough to grade the road from Lewisburg and the former place, and had also secured the right of way, and that it was a settled matter that that portion would be put under contract, having been advised by the Penn'a R. R. Co. to advertise and put the same under contract. This would be done as soon as the people had the papers, releases, etc., all ready, which was the only cause for his not proceeding at once to put that part under contract, and that as soon as this was done on the part of Millifinburg, he would be ready to act.

Mr. Ed. Blanchard then addressed the meeting, and in a very animated speech called upon the Pennsylvania people not to prove cowards, now when the project was within grasp, after having for years clamored so loudly for a railroad—now is the time to show their sincerity. Mr. B. spoke very plainly and to the point, and then in very plain language demanded to know of Mr. Miller why there was so much delay in putting the road under contract between Millifinburg and Lewisburg; that there was suspicion all along the line that Lewisburg was opposed to having the road extended to Millifinburg, which, if they prevent it, will amount to killing the project; that Mr. Lombard had told him, Mr. B., that there was nothing at all to stop Mr. Miller from putting the Millifinburg portion under contract and that the iron lay ready. Mr. Blanchard expressed the hope that Mr. Miller was not influenced by the selfishness of Lewisburg, but would go on and advertise a letting.

Mr. Miller did not deny that there might be such a feeling at Lewisburg, yet he gave the assurance that he would not be influenced thereby, but was ready to do his duty, without regard to fault-finding from any quarter, as soon as the Millifinburgers were ready and had the releases signed, and placed them in his hands.

Mr. Blanchard then offered a series of resolutions, by which the people of Centre county emphatically instructed Mr. Miller to put the grading of the road between Lewisburg and Millifinburg under contract by the 1st of July, and that he be further instructed to push the work along as fast as the money is subscribed.

These resolutions were adopted unanimously, after being amended by D.

Miller to strike out "July 1st" and to read, "as early in July as possible."

Mr. Miller then wished to know about the \$77,000 yet to be raised, advising the committee of each township to guarantee their portion.

Mr. S. H. Stover stated that he did not feel like guaranteeing anything for Harris township, as he had used his utmost endeavors with the people there, and already made himself responsible to his utmost means, that some of his people were holding back to subscribe to the Snowshoe branch, while others could not be prevailed upon to do anything, gave as an example, meeting one man in Harris when he asked him to subscribe, and was met by the reply, "away with your railroads, they only bring small-pox and Norway rats into the country."

The townships were then called and responded by guaranteeing to raise the following additional subscriptions: Mr. Stover, for Harris, \$15,000; Mr. Wolf, for Potter, 15,000; Mr. Duncan, for Gregg, 12,800; Mr. Coburn, for Haines, 9,000; Mr. Musser, for Penn., 5,000.

Total \$56,800 making with the subscriptions already taken \$180,000, or \$20,000 less than demanded, which deficiency it is hoped, will be met in some manner.

Here the meeting adjourned. Mr. Miller, and all, feeling confident that the building of the road was now no longer in doubt.

This was an effective meeting, and we now look forward to see the longings of our people for a railroad, gratified, and that ere another twelve-month, the mountains of Pennsylvania will reverberate with the shrill whistle of the locomotive. Amen.

Mr. Harvey Mann, of Boiling Springs, near Bellefonte, died on 4th inst., aged 65 years, 11 months. He was an old and respected citizen of our county, and largely engaged in the manufacture of axes, which found a wide introduction and reputation as the "Mann Axes."

You save 15 per cent by buying your goods at Solts.

Solt gives more goods for the same amount of money than any others, and never sends off a customer dissatisfied. Try it, if you want bargains, there's where you get them.

Rev. Miller, Lutheran minister of this place, on 21st ult., added 17 members by baptism and confirmation, to his Centre Hall congregation.

The name of the Houserville post office has been changed to "Lemont," and the office moved to the end of the mountain, with Wm. Dale as postmaster. This action has created quite a feeling in that neighborhood, as it seems to have been done without the knowledge of the people.

During the sessions of the Sabbath School Association, in this place, last week, the lawyers present were not backward in telling the ministers of the Gospel that long prayers were a bore. The clergy no doubt took that to be the cheapest advice ever given by the legal fraternity, who generally bore their clients with long bills for short prayers, at the bar of justice.

J. M. A. of Centre Hill, writes us complaining most pathetically, that some vicious person had caught Mr. Dauberman's turkey, plucked all its feathers off alive, and thus naked, sent the "gobular" home. That's foul conduct, and the guilty one should be haunted by the spirits of departed turkeys all his life, and never have a bite of one to eat.

HUBBERSBURG, June 12, 1870. Mr. Bartley & Co.—Having tried the Dexter Clothes Washer and finding it superior to any other washing machine on exhibition in Centre county, especially for washing quilts and blankets, please send me a machine as soon as possible; I find it saves labor and clothes, and would recommend it to all washer women in preference of all other machines. You can publish this by my permission.

"BEAUTIFUL INDEED."—Mr. Weight who is teaching a subscription school in the school house at Cryders, in Penn township, is in favor of decoration. He has again decorated his school room No 1 and his scholars delight in it. A Sunday School has been organized and held in the said school house. A Sunday school is also held in the Evangelical church in this place but on account of not being decorated, there are only a few that attend it. We can therefore pronounce decoration a good incentive for increasing the Sunday school. Ladies and gentlemen come and give us a call and get convinced, that our room is well decorated and that, we have a splendid school. P. F. S. Millheim, June 13th.
