CENTRE HALL REPORTER. CENTRE HALL, PA., JULY 1st, 1870.

There will be no paper issued from this office next week-being 4th of July week-in order to afford our hands an opportunity to give vent to their patriotism. This being an old on their rights, and the spirit of the custom among all newspaper publishers, we ask the kind indulgence of ism and tyranny. If there be a time our readers for the omission.

The communication of "Japheth" in another column of this week's paper, we commend to the thoughtful perusal of our readers, and more particularly of Republicans.

Grover & Baker's HIGHEST PREMIUM

SEWING MACHINES. The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference for the GROVER & BAKER Machines over

all others.

\*\*\* "I like the Grover & Baker Machine, in the first place, because, if I had any other, I should still want a Grover & Baker; and, having a Grover & Baker, it

Baker; and, having a Grover & Baker, it answers the same purpose of all the rest. It does a greater variety of work and it is easier to learn than any other."—Mrs. J. C. Croty (Jenny June.)

\*\*\* "I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker, decidedly."—[Mrs. Dr. Watts, New York.]

\*\*\* "I have had one in my family for some two years; and from the testimony of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—Mrs. [General Grant.]

\*\*\* "I believe it to be the best, all things considered, of any that I have known. It

\*\* "I believe it to be the best, all things considered, of any that I have known. It is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order,"—Mrs. A. M. Spoones, 36 Bound Street, Brooklyn.

The Grover and Baker Sewing Machine Company manufacture both the Elastic Stitch and Lock Stitch Machines, and offer the public a choice of the best machines of both kinds, at their establishments in all the large cities, and through agencies in nearly all towns throughout the country. Price Lists and samples of severing in both stitches furnished on application to Grover & Baker S. M. Co., Philadelphia, or to F. P. Greene Phillipsburg, Or for safe at S. H. Williams & Co's Furniture Store Bellfonte.
