

LOCAL ITEMS.

LOCAL NEWS.—Our friends will oblige us by sending in any items of local interest, including deaths, marriages, &c., as such are eagerly read by your friends in the west, many of whom get the Reporter. We would esteem it a favor if our kind patrons would occasionally mail a copy of the Reporter to relatives and acquaintances who formerly lived in Centre county and removed to other parts, which would induce many to become subscribers.

BLANKS.—Blank Summons, Vendu Notes, Executions, and Judgment and Ex-emption Note combined, Justice Warrants, &c., for sale at this Office.

A campmeeting of the Evangelical denomination will be held in Michael Fidler's woods, near Madisonburg, commencing August 18th.

LUMBER FOR SALE.—Several thousand feet of choice dry pine boards, also about 1600 feet of choice panel stuff, are offered for sale. Terms Cash. Inquire at the Reporter office.

UP!—Another new house, Mr. Wm. Shoop's, went up this week.

Mr. John Roush's name, was accidentally omitted last week, from the list of delegates of Gregg township.

The Centre County Fair will be held at Bellefonte, on the 4th, 5th, 6th, and 7th, of October.

Have you ever tried Nature's Hair Restorative? You will be delighted with it. Clean, safe and efficient. It is driving all the poisonous compounds out of the market. It is as clear as crystal. Proctor Bros., Gloucester, Mass., are sole agents, and if you send to them, will forward you a circular containing full particulars.

R. R.—Gregg township has finished up her portion in the railroad work—her share of stock is made up, and the rights of way has been obtained, her books this week go into the hands of the Penna. R. R. Comp.

Potter township has made up her subscriptions, and the right of way is now being obtained.

Penn and Haines, we learn, are also as good as ready with their subscriptions.

The matter should now be closed up without delay, so that the location and letting of the road, can be gone ahead with before fall, and even some of the work of grading commenced. All delay now is owing to our people. Push the work on friends, the earlier you complete your part the sooner will the road be made. It is not the Penna. R. R. that is delaying the work, it is our own people.

Gold has gone up, so has grain, but Hoffer Bro. keep selling at their accustomed low prices, and they never let their stock go down. No store has a fuller and more complete assortment of goods, than is to be found at Hoffer Bro's, Bellefonte.

SOLD.—S. S. Wolf has purchased the farm belonging to the Long estate, containing 104 acres, near Centre Mills in Miles township.

Mr. Joseph Meyer has purchased the farm of his father, Mr. John Meyer, about 11 miles west of Rebersburg.

S. S. Pic-Nic.—The Union Church Sabbath School, held a picnic, on last Saturday 13th. The school assembled in the church at 8 a. m., and thence marched to a beautiful grove, where stands, seats, and table had been provided. After all were seated the exercises were opened with singing and prayer, followed by an address by Prof. Truxell. After singing another hymn, Rev. J. A. Miller addressed the school; then followed a dialogue and singing again, when the children were taken to a large table richly laden and groaning with all the delicacies of the season. All children and strangers, feasted, and yet baskets full of good things were left. After dinner Rev. Reiter, of Aaronsburg, delivered an address, when the exercises closed. The whole affair passed off very pleasantly and to the satisfaction of all. Much credit is due to Esq. Rishel, and those who assisted him, in the management of the affair. Col. Rishel is the superintendent of the school, and he took great pains to make the affair a success.

Pic-Nic.—On last Saturday, 13th inst., the young folks of Penn Hall and vicinity held a grand picnic in the beautiful grove on the farm of Gen. Geo. Buchanan. The young ladies provided various kinds of choice cakes, pies, and other sweetmeats for the occasion; and the gentlemen provided swinging, and other implements of amusement. After the gay party had partaken of all the good eatables to the entire satisfaction of their fastidious appetites, they amused themselves in swinging and playing various innocent plays, etc. Everything passed off pleasantly, and all enjoyed themselves hugely.

The fires throughout the United States, in July, involved an aggregate loss of \$6,803,245, against \$1,677,000 in July 1869, or an increase of \$5,126,245. The heaviest damage was \$860,000, the loss on the sugar refinery in Philadelphia, burned on July 26th. Then come the fires at Dayton, Nevada, on July 17th, and at Peoria, Ill., on July 26th, the loss in both cases being \$500,000.

Seventy-five brides sat down to dinner on Sunday in our hotel at Niagara Falls.

MARRIAGES.

On the 21st, July, Mr. W. H. Fees, of Hartleton, and Miss Joanna, daughter of Jacob Fredrick, formerly of Aaronsburg.

On the 29th ult., by Rev. M. P. Croswat, at the R. M. Parsonage, in Salona, Rev. Z. S. Rhone, of Tyrol, and Miss Jennie Croswat, daughter of the officiating minister.

DEATHS.

In Potter township, on 8th inst., Ester Sobell, daughter of John D. and Mary Deckert, aged 9 months, and 8 days.

O, FOR THE SKIN OF A RHINOCEROS.—We have been informed, of late, from half dozen sources, that there is a 237 pound baby giant in the lower end, who seems to be spilling for an opportunity to "cowhide" the editor of the REPORTER, whose weight, after a big dinner, is only about 124. We are told that our ponderous adversary is pregnant with ill humor against the REPORTER, and that he keeps prowling about, telling and telling again, of his great appetite to devour us—evidently desiring to have brains in his stomach for the lack of them in his head. Men have been swallowed before—Jonah was swallowed by a whale—sat, breeches and boots—but Jonah sat upon the whale's stomach; the fish got sick and was glad to spit Jonah out again alive; whether Jonah chewed tobacco while in the monster's belly and thus turned his stomach, history does not say.

Two hundred and thirty seven lbs. against one hundred and twenty four—where would the odds be? Our hide already smarts as we put the question, and to bring down our cat the question, we long for the hide of a rhinoceros. This game would not be Napoleonic and Bismarck, but Lilleput and the Giant, and why should the giant feel "skered a hooter"?

It is hard for an editor to get along without sometimes treading upon some one's toes. As publisher of a democratic paper, we had the audacity to make known that there was one who was operating against the ticket, because he failed to receive a nomination, and our sinning lies in the performance of this duty, and furnishes the appetizer for the whale to swallow Jonah.

The persistent beggar after township collectorships, assembly, associate judge, treasurer, delegate, &c., for no one of which he was considered deserving by our party, has played sordid and turned against our nominees, and did his utmost to defeat them, in order to have revenge upon the party for not recognizing his superior greatness. The verdict of the party, however, today is, We have ignored the right man, as proven by his subsequent conduct.

The democracy have witnessed numerous babyish and little things, emanating from this big source; among these is a boyish and insulting letter, written to one of our most esteemed citizens and prominent democrats, the lamented William Keller, who placed the letter in our hands, shortly before his death, for publication, which, however, we have withheld out of pity for the writer, who prouls about, as we are informed, boyishly talking about confounding us in a certain contingency, which reminds us of a quarrel we witnessed when a lad, betwix two other boys. Boy No. 1, called boy No. 2 a hard name, whereupon No. 2 dared him to repeat that *times* more, and he would smother him so and so. The letter referred to is still in our possession, and will be published whenever we think occasion calls for it. Mr. Keller never gave the author the least occasion for so foul an epistle, and its statements against that esteemed gentleman are without shadow of foundation, and not at all flattering to democrats of Bellefonte, Miles and Walker townships, or the democratic party of Centre county in general, and yet the author always buzzing around the party for office. We were never scared by the threats of Lincoln's minions, during the war; and uttered our sentiments fearlessly; much less will we be intimidated by the cowardly, boyish threats, of a sordid, growling, disappointed place seeker, though it cost every inch of hide upon our body.

Our weighty friend wishes to know how we feel upon failing to be nominated for assembly. Had he put the question to us, he would have been told that we felt like going in, with all our might, for the man who was nominated, and do not follow his example by becoming a sorehead. Stick a pin there.

We do not make a practice of noticing our own personal affairs in the REPORTER, but as the subject some what concerns the party, and as we are told that the unwieldy corporation is in the habit of trudging us in private circles, we think we will be justified in putting in a word, and should a cowardling still be insisted upon, we have a few suggestions to make, and wish a fair understanding. We propose: That the affair be conducted in accordance with the code of honor, and that Thursday of County-fair week, and the fair ground, be time and place. Cowhides and coffee for two. As our seconds we would select A. C. Geary, S. S. Wolf, and J. G. Meyer. The time and place would add to the revenues of the agricultural society, as thousands would come to witness a revival of the gladiatorial practices of good old Roman days, who would not be drawn thither by any other exhibition, and a doctor be handy to dress the lacerated flesh. Or, should this not be accepted, we propose that our friend tack our photograph upon some old stump, then lash away at the stump until it hollers enough—which would certainly appease the wrath and gratify the bitterest spirit of revenge in the most cruel breast.

A Humbug.

HOW OFTEN WE HEAR THIS EX-  
PRESSION OF Patent Medicines, and in nine cases out of ten they may be right. It is over 22 years since I introduced Dr. Tobias' Venetian Liniment to the public. I had no money to advertise it, so I left it to sale with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated on my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who refused to sign a receipt when I left it at their store. Now my sales are millions of bottles yearly, and al. for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhea, Dysentery, Colic, Vomiting, Spasms, and Sea-sickness, as an internal remedy. It is perfectly innocent to take internally—see oath accompanying each bottle—and externally for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Bruises, Sprains, Old Sores, Swellings, Sore Throats, &c., &c.  
Price 50 cts. sold by the Druggists, Depot 10 Park Place N. Y.

ALCOCK'S POROUS PLASTERS.

Step by step this commodity has attained its unprecedented fame. They are universally approved. The support, strength, and aid the growth of muscles. They appear to have peculiar effect upon the nerves, alleviating irritability, while supplying warmth. They seem to accumulate electricity, and aid the circulation of the blood through the part where applied, by which healthy actions are induced.

THIRTY DEADLY POISONS.

According to the "Journal of Chemistry," are sold in this market to change the color of the hair. The "Medical Gazette" says that they are worthless as dyes, and that their sale is a "crime." The proprietors dare not submit them to chemical analysis.

Cristadoro's Excelsior Hair Dye.

On the contrary, has been analyzed by Professor Chilton, the great analytical chemist, and pronounced absolutely harmless, as well as efficient. See his written certificate, at Cristadoro's, Astor House, New York. CRISTADORO'S HAIR PRESERVATIVE, as a Dressing, acts like a charm on the Hair after Dyeing. Try it.

A SAFE, CERTAIN AND SPEEDY CURE FOR NEURALGIA AND ALL NERVOUS DISEASES. Its Effects are Magical.

AN UNFAILING REMEDY FOR NEURALGIA. Facilitates effecting a perfect cure in a single day. No form of Nervous Disease fails to yield to its wonderful power. Even in the severe cases of Chronic Neuralgia, affecting the entire system its use for a few days affords the most astonishing relief and rarely fails to produce a complete and permanent cure. It contains no materials in the slightest degree injurious. It has the unqualified approval of the best physicians. Thousands in every part of the country, gratefully acknowledge its power to soothe the tortured nerves, and restoring the falling strength.

The Great Medical Discovery! Dr. Walker's California VINEGAR BITTERS. MORE THAN 500,000 Persons Bear testimony to their Worth. What a Vile They are!

They are not a Vile FANCY DRINK, Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called the "Appetizer," "Restorer," &c., that lead the tippler on to drunkenness and ruin, but are a true medicine, made from the native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to its healthy condition. No person can take these Bitters according to directions, and remain long unwell. \$100 will be given for an incurable case, provided the system is not destroyed by mineral poisons or other means, and the vital organ wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermitent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs. Cleanse the vitiated Blood, wherever you find it impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health will follow. PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. In Bilious, Remittent, and Intermitent Fevers, these Bitters have no equal. For full directions read carefully the circular around each bottle, printed in four languages—English, French, German, and Italian. WALKER, Proprietor, 32 Commerce St., N. Y.
