CENTRE HALL REPORTER. CENTRE HALL, PAN AUGUST 26th, 1870.

Romance of the Sea. A remarkable story reaches us from Liverpool. Six sailors bearing the names respectively of John Coleman, D. McCall, Middy Baptiste, Joachim dred eggs in store, and are described King Oilombo, Charles Lance and as being in good condition. Their res-Francis Edward Gray, have just pass-cue was not effected until the 15th of ed through a succession of adventures May, when the commander of the iron on a dessert island, which more than realized the most thrilling of the many romantic stories of shipwreck written and discerned a lump on the well for our youth. The fine new iron clip- known Rocas Reef, which he made out per ship Mercurius left San Francisco to be a hut. Drawing nearer he discarly in January last on her return to cerned a signal of distress, composed England, having previously made her of a seaman's striped shirt, fluttering of March. In the early morning of board. They were kindly and hospithat day, it being then dark and raintally received, and had a passage given

a representation of the first scale of the position of the first scale of the first scale

portant fire. Three times during their this is to be seen at the North. No sojourn on the rock was this fire suffered by some accident to go out; and three times was the experiment in lice board or school board of a Northfriction anxiously and successfully ern city; no learned negro jurist sits of polished nobility who are now exiles tried. So the time were on until fifty on the bench of a Northern court; no in Paris. Encircled by twenty briltried. So the time wore on until fifty one weary days had been spent on the reef, days in which everynan scanned the horizon, and in which the strong cheered the faint hearted, and all spoke hope in turn. It is easy to picture the existence these men led. The first gratitude of escape; the anxious search for fellow survivors; the mournful conclusion that the rest of their shipmates were no more; the stern necessity which hade them work invent conclusion shall elect a colored Sena-Wisconsin shall elect a colored Senator in place of Mr. Carpenter, and a being too much inclined to politics, score of colored men shall sit in the Legislature of each of the New Engtrive; the development, day by day, of some fresh ingenuity, some little suspected quality in each, and the gradual accumulation of reliefs, and gradual accumulation of reliefs, and land States, then, and not 'till then, even comforts—can all be traced. They will the black man be as well treated

### Railroad Consolidation.

Scott, Gould, Vanderbilt, and Garin the halls of our National Legisla- endeavored to find something to relieve England, having previously made her first voyage from the Clyde to Sidney. She was commanded by Captain Cuth-bertson, an experienced navigator, and bertson, an experienced navigator, and all went well with her until the 25th and the subsidies granted, to railroads, which were undoubtedly shared by the members. Whatever legislation was promptly given in the days of a seaman's striped shirt, fluttering ture, as will be seen by the innumerable subsidies granted, to railroads, which were undoubtedly shared by the members. Whatever legislation was promptly given in was required was promptly given, in which our dear friend Negley the ing heavily, the good ship struck upon a dangerous coral island known as the Rocas Reef, in lat. 3.52 S., long. 33.20 W. No one on board had tho't of danger until five minutes before the member for this District was among new order of things they will be for-bidden to interfere with Congress and ployed himself in seeking for them in flesh cost, I tell you. I wouldn't give a Mercurius struck. The lookout man now keep as mementoes of the perils the profits of its members, but if any the darkness. When, after a tiresome fig for one without the other. What then gave the alarm, "Breakers they have escaped. In simple force, thing is required in any State to adshead?" The captain was called, the course was altered, and her helm was of resources, and in adventure the real tions, they are able and willing to buy put "hard over." But it was too late. experience of these six sailors on a destand it, and they are never disappointed.

A few seconds of that intense anxiety olate island is worthy of Defoe, and in the endurance of which men seem to makes most fictitious histories of ship- will not produce demoralizing results, solved by the Mercurius first grazing her side below the water against the sharp edges of the

A brooch worn by the Countess of K- has recently been the subject of conversation in an eminent company

ago, in his own country, suspected of being too much inclined to politics, rett the master spirits of the four great trunk lines on this Continent are, greater than States, and will soon be if they are not already, masters of Congress. The concentrated capital of these roads, was exerted last winter in the halls of our National Levisla.

ed to be in his coat, had fortunately escaped the notice of his jailer. Those were to be the means of deliverance to ragoous sum, to think of it, ch?"

### The Weather and Expenses at New port.

A correspondent of the New York Staff.

dard writing from Newport says:
Sitting here on the cool and shady verandah, it is difficult to believe even the Standard's account of the great mercurial war being waged in New York and vicinity, Fahrenheit cuts up no such capers here-72 in the morning, 78 at noon and back again to 72 in the evening is the steady and respectable gait of our Newport quicksilver. Life under such circumstan ces is so enjoyable. The only drawback to a complete and ecstatic realization of bliss is this dreadful newspaper account of the intense heat of the city and the knowl: edge that so many poor wretches are comelled to swelter and die in close, unventilated garrets and dark, loathsome base ments, bereft of the commonest comfort forn from the bosom of his family by of life, unblessed even by a breath of pure, police officers, conveyed to a fortress unadulterated air. Why can't every body even comforts—can all be traced. They will the black man be as well treated were prudent men—men taught by in these Radical regions as he is now calamity to prepare for a rainy day; treated in the rebel States of the for, when rescued, they had two hun-for, when rescued, they had two hun-for, when rescued, they had two hun-for, weeks, months, passed away be rich enough to come to Newport and thrown into a damp, dark dungeon. Days, weeks, months, passed away squandered here! Enough to send all the without his being brought to tri l poor of New York city in the country for The unhappy man saw himself robbed the season. Merchants and bro ers from of every succor. In the stillness of the principal cities all over the country, death and the darkness of the grave he unable to bring their own turnouts, hire

> Houses "I have been here fust two weeks to-day, and my bill for carriage hire has averag

which took place between two Wall street brokers on the verniidah of the Ocean

"Yes sir," replied his companion.
"But you have come off a deuced sight again and again, did he renew his vol-untary task. All the day long, sitting, lying, or kneeling, he groped about with his hand until he had found the pins which he had intentionally scat. seven hundred and fifty dollars. What do tered. This fearful, yet beneficial re-
