HOGS AND RATTLESNAKES .- The Columbus (Ohio) News says that a farmer near there, recently in walking about his place, discovered a nest of rattle snakes in an old log about which several large pieces of rock lay scattered. He had heard that hogs were death on snakes of all sorts, and not caring to attack the nest himself, he thought he would try the experiment and see a fight. He drove several hogs in the vicinity to the nest, to pieces every house, putting to the historical documents only after they have and watched the result. The hogs soon seemed to scent the snakes, and of age or sex, who sought to escape. commenced rooting eagerly about the Its defenders however, fought bravespot. In an instant half a dozen of ly, though unavailingly ; and when all the serpents emerged from their hid was over, and the reeking ruins reing places to attack the intruders, who mained, 37,000 Christians lay dead manifested a zealous disposition to go upon the ground.
