

LOCAL ITEMS.

LOCAL NEWS.—Our friends will oblige us by sending in any items of local interest, including deaths, marriages, &c., as such are read by our friends in the west, many of whom get the Reporter. We would esteem it a favor if our kind patrons would occasionally mail a copy of the Reporter to relatives and acquaintances who formerly lived in Centre county and removed to other parts, which would induce many to become subscribers.

BLANKS.—Blank Summons, Vendors Notes, Executions, and Judgments and Ex-emption Note combined, Justices Warrants, &c., for sale at this Office.

IMPORTANT TO BUSINESS MEN.—The circulation of the REPORTER, on this side of the county, is now greater than that of any two papers in the county, hence business men who wish to reach the Pennsylvania trade, will advance their own interests, by advertising in the REPORTER. Our subscription list is open to the inspection of all who wish to advertise.

A little child of Daniel Horner, near this place, was spinning a ball of hot water over its face and breast.

The weather is fine, but we need rain badly.

TOWNSHIP NOMINATIONS.—The democrats of the various township will bear in mind that township officers will have to be elected at the general election in October. We suggest that meetings to make nominations, be held at the usual places, on Saturday, October 1st.

A little son of Jared Harper, of Bellefonte, (formerly of Aaronburg), was thrown from a horse one day last week, and broke his arm in three places.

School teachers, and all others interested, will observe that Supt. Magee has changed the time for his examinations at Centre Hall, from Oct. 6th, to 27th of same month, as the county Fair would interfere with the former date.

The Buffalo House, in this place, was destroyed by fire on the first of July. Yesterday, the men engaged in removing the debris were compelled to stop work and extinguish a body of fire which has been smouldering there ever since that date—eleven weeks.—Lewisburg Chronicle, 16th inst.

The premium list for the next county fair, was enclosed in our last issue as a supplement, but being some 350 short, accounts for that number of our subscribers not being supplied, with the same. DITAVIO

SUICIDE.—A man at Philipsburg, whose name we do not remember, committed suicide, on last week by shooting himself through the heart. The ball entered the right temple, passed through the top of his head and lodged in the ceiling.

Forster & Devling, at May & Loebl's old stand, Bellefonte, invite the Pennsylvania trade to come and see their stock and examine their prices. We have examined their stock and find it equal to any in Bellefonte, and their prices low. You always get what you want, and never buy without getting a bargain.

FAIR.—Hoffer Bro's, at their store, at Bellefonte, are making special preparations to favor their customers during the approaching fair. Their stock will be enlarged and their prices low, so that all going to the fair, in purchasing from them, will be paid for their pains and trouble by getting good bargains.

Rev. Daniel Lord, D. D., Calvary Church, Chicago, Ills., says of "Our Father's House": It shows a noble aim, devout spirit, and loving study; and by its nice arrangement, beautiful illustrations, and popular style, will help all its readers to see more of science in the Bible, and of God in His works. See advertisement.

RUNAWAYS.—On Thursday afternoon, 15th inst., as Mr. Joseph Stover, of Nittany valley, was passing down the mountain beyond Centre Hall, in a two horse spring wagon, homeward bound, the yoke breaking, the tongue of the wagon with its front end fell to the ground and caused his horses to take fright, and start on a sudden run jerking Mr. S. out over the front of the wagon. The traces of both horses luckily unhooked about the same time and the animals started down the

mountain, and directly after passing Mr. Wm. Stewart and another gentleman of Pleasant Gap, both in a buggy, their horses frightened at the runaway team, and dashed off, tearing the buggy all to pieces. Mr. Stewart was thrown from the vehicle and received some very serious injuries, having been scalded in his bed since. The other gentleman jumped from the buggy without being hurt. Further on the team met Mr. Valentine's buggy, the horse kicked in it also scared at the runaway team, and became unmanageable and broke the shafts.

Letter From Ohio.

Dear Reporter:—Perhaps few lines from one of your readers and citizens, who is on a small tramp west of the Alleghenies, would not be overtaxing to the patience of your readers. The writer left Centre Hall on the 12th inst. in company with Messrs S. F. Foster, R. H. Porter and Jos. Dasher, for Pittsburg, Pa. The latter, with myself, intended to visit some parts of Ohio, Indiana, Michigan, Illinois and Iowa, the former attending the Inter State Fair. We arrived at Pittsburg on Tuesday at 12 m., and stopped at the Merchants Hotel, where, thanks to the gentlemanly proprietor, we were made to feel at home. In the afternoon we visited the Fair (more properly show) grounds. However, there were upon exhibition articles of every description. The stalls for live stock were not half taken up, but more was expected the next day. The Zouaves made a splendid display as did also the other soldiers in uniform, we need not except the "cutted gentlemen" in ranks, the dust having made them, in appearance, the same as the rest, except the chalk below the eyebrows and the display of ivory. The music by the bands was excellent under the circumstances. How they managed to keep from being choked with dust we know not. We did not attempt to count the show tents, &c., and not feeling it our duty to give them as much even as a look or penny, we cannot describe any of their humbugs. Being tired and covered with dust we concluded to tramp home and acted immediately upon the suggestion.

We left Pittsburg on the 14th inst., and passed through the country bordering on the Cleveland & Pittsburg railroad; some parts are hilly, especially along the banks of the Ohio river, in western Penna. Splendid farms are to be seen in Summit, Medina, and Wayne counties. Choice farms are offered at from \$75 to \$100 per acre, owing to the situation and railroad facilities. We stopped at Burbank, a town containing about 800 inhabitants, pleasantly situated on Killbuck creek and on the line of the Atlantic & Great Western railroad. We found quite a number of Pennsylvania folks living here and prospering in business. The wheat crop was a partial failure last harvest, but corn is very good. Oats likewise. Apples and peaches are very plenty. Black frost has not yet appeared yet. Farmers are busily engaged in seeding the ground in very dry and dust exceeds the demand. The train is arriving and I must close. Perhaps more anon. HARRY, Sept. 19, 1870.

Eleven persons have been killed in Iowa this season, by threshing machines.

A Radical Revolution

Has been accomplished in hair dyes. The horrible compounds containing LEAD, SALT and LIME, used by the old dyes, are being replaced by a new and safe preparation. The leading chemists implore the public not to use them, and Professor Chilton, whose reputation is second to that of no analytical chemist in America, has recommended Cristadoro's Excelsior Hair Dye as a PERFECTLY INNOUOUS ARTICLE, which may be used without fear. Remember, it is the only one that has been analyzed and found wholesome. Its effects are instantaneous, and the colors it imparts are permanent. CRISTADORO'S HAIR PRESERVATIVE, as a Dressing, acts like a charm on the Hair after Dyeing. Try it. "Children's Lives Saved for 50 cts." THOUSANDS OF CHILDREN DIE ANNUALLY OF CHOLERA. Now, though, if you would spend 50 cents, and always have a bottle of Dr. Tobias's Cholera Liniment in the house, you never need fear losing your little one when attacked with this complaint. It is now 22 years since I have put up my Liniment, and never heard of a child dying of Cholera when my Liniment was used but hundreds of cures have been reported to me, and many state if it was \$10 per bottle they would not be without it. Besides which, it is a certain cure for Cuts, Burns, Headache, Toothache, Sore Throat, Swellings, Mumps, Colic, Diarrhea, Dysentery, Sprains, Old Sores and Pains in the Limbs, Back and Chest. No one can trise it who is ever without it. It is warranted perfectly safe to take internally. Full directions with every bottle. Sold by the Druggists and Storekeepers in the United States. BRANDRETH'S PILLS

Their great value consists in this: They may be used so long as any disease affects any of the organs of the body; and by thus persevering in their use the disease will be cured, and the body restored to health, free from every taint and impurity. Their reputation proves their merit. Thomas Smith, Coroner and Justice of the Peace, Hastings-on-Hudson, says Brandreth's Pills cured him of Dyspepsia and Heartburn, when every other medicine had failed to relieve him. Certificate dated April 2, 1868. Dr. Turner, of Savannah, Ga., says he has, for nearly forty years, recommended Brandreth's Pills as a specific in Yellow Fever, that he never knew a patient to die who took them for this disease, and being otherwise sound. Their prompt use takes out of the body those matters which feed the fatality of the disease. As a general family medicine he considers them far in advance of all others, and here he speaks from personal experience of their qualities.
