Suicide While Laboring Under Temporary Insanity.

Lewistown, October 13.-A lamentable suicide occurred to-day in Derry township, a few miles from this place. Joseph Kearns, Miles a man generally esteemed and of excellent character, asked his wife, to whom he had Penn been married only a few months, to take a walk, and afterstrolling up a by-lane jumped over a fence and then back, and suddenly drawing a razor from his pocket cut his throat from ear to ear. He died in a few Walker minutes No known cause existed for the Worth rash act, and it is therefore supposed he labored under temporary insanity.

The following special telegram appeared in yesterday's 12th issue of the (Evening Telegraph :)

Washington, October 12 .- The Prestdent received a dispatch from Senator Morton to-day, stating that the State of Indiana was carried, yesterday, by the Republicans by a small majority. The State is so, districted that the Democrats might carry it by from five to ten thousand majority, and still the Legislature would be Aepublican. Here is an acknowledgment, unblushingly made, that Indiana has been so outrage. ously gerrymandered by the Radicals, that a Democratic majority will not give that party control of the Legislature. It was supposed that in this country the people, and not politicians, govern.

New York, October 18 .- Daniel M'Farland, who murdered Richardson whose trial recently created such Centre county...... in a beastly state of intoxication. The police found him lying in a gut ter, with both eyes blacked and the skin torn off his nose. He was locked up till be got sober.

San Francisco, October 19 .- Ten ships loaded with wheat for Europe are now at the wharves of the California and Oregon and the Central Pacific railroads.

The divers who visited the wreck of the United States war ship Housatonic, off Charleston harbor, a short time since, say they found the little torpedo boat that was commanded by Lientenant Dixon, fying alongside of her, and having on board the skeletons of the eight men who volunteered for the enterprise.
