phia, last week, was an adoption of a plan for the extention of the Soow shoe railroad from Bellefonte to a point for intersection with the Lewisburg and Centre railroad. We understand that it was agreed upon that the route around End of Mountain be adopted, and the Showshoe company and citizens of Bellefonte to furnish the means to grade the road and secure the right of way from Bellefonte to End of Mountain, and the Penn's R. R. to rail and stock it—conditions similar to those which were accepted by the people al sig the line of our road. The Showshoe company are to fu uish \$50,000, and the citizens of Bellefonte to furnish purpose. Efforts are now being made by Bellefon.
