RE.—Some of our readers tell us they feel disappointed in not seeing any railroad news in the Reporter for the last three weeks. The reason is because we have had, and whenever we learn any thing new, we will be sure to let our readers have it. The next thing in order will be a letting, which we expected would come off before this. We can not account for this delay, but think it may be owing to the location not having been finalized at the Tyrone end, and that the board did not wish to have a letting, until all the work could be put under contract at one and the same time. As the work of location between Penn's Furnace and Tyrone is now about completed, we expect there will soon be a meeting of the board to take action. Our people find interest in the course of this delay, and all wish to see the work go right ahead.

The board of directors, of L. C. & S. railroad met in Philadelphia, next Tuesday, when we expect arrangements will be made for the immediate letting of the road.

The Lord's Supper will be administered in the Lutheran Church of this place, on next Sabbath eve, June 4th. Preparatory services on Saturday previous, at 2 o'clock P. M.
