Half-way up the hillside it slips From darkness into the light From darkness into the light, lides over the ledges, and drips In a basin bubbling and bright nen once more in the long mea-In silence it sinks out of sight.

so slender, so brief in its course ! Or the river benignant and bland, That sweeps far away through the v And turns all the mills in the land

Just a brooklet, so perfect, so sweet,—
Like a child that is always a child!
A picture as fair and complete.
As softly and peacefully wild,
As if nature had only just made it,
And laid down her pencil and smiled.

o, teach me your song, happy brook!
If I visit you yet many times, I put away business and book, And list to your fairy-bell chime Your music glide into my rhymer

Farm, Garden and Household.

DAMP CELLARS. - Care should be taken fluences of pure air and sunlight in our houses. Inattention to the purification of this portion of our dwellings has often proved a source of discovery and of the proved as the proved a source of discovery and of the proved as the proved a source of discovery and of the proved as the proved as the proved as the proved a source of discovery and of the proved as the pr ten proved a source of disease, and in many instances so-called mysterious death. Every housekeeper or head of the family ought to make a periodical visit to every cellar, dustbin, outhouse, &c., and see that they are perfectly clean and free from kitchen rubbish.

VEAL HASH .- This makes a most delightful supper dish. Choose a shin of veal with about three pounds of meat on it. Boil it in as small a quantity of water as you well can, so that when done there bell with about three pounds of meat on it. Boil it is a small a quantity of water as you well can, so that when done there bell bell be acceptance of the state of th shall be nearly one quart left. It should be boiled the day before it is wanted, so that it may become perfectly cold. When the meat seems entirely done, take it produced by various causes. wrapping it in a cloth; save all the liquor in a separate dish. The next day cut the meat off, make it very fine, but not Mr. Vallandigham took his own life. eparate dish. The next day cut the off, make it very fine, but not quite so fine as mince-meat; about half an hour before you wish to send it to table put it over the fire in a covered stew-pan with the liquor; have ready about half a pint of drawn butter (hot), and eight or ten hard-boiled eggs; remove the shells; sare out two, with the liquor than the liquor that the liquor is have ready about half a pint of drawn butter (hot), and eight or ten hard-boiled eggs; remove the shells; sare out two, with the liquor than the liquor is hard to she half a pint of drawn butter (hot), and eight or ten hard-boiled eggs; remove the shells; sare out two, when the liquor is wife in September, 1809, in North Bridgewater, has confessed his erime.

Frank French and Charles Libby, both married men, were drowned at move the shells; save out two; mince the rest, and add to the meat, etc. Take off the fire at once, season with salt. Cavenne pepper, and a small quantity of b'ack pepper, and if desired a very little wine. Cut in slices the two eggs, and, after the meat has been placed in the dish local authorities to discover the murder-
