twenty-two years of age, he left their employ and commenced the study of the law with Moses A, Dropsie, Esq., of Philadelphia. Of his subsequent career as a gallant soldier we have already written.

"General William M'Candless is a man of the people. He can to-day take down a locomotive and refit and equip it, and when thus refitted he can to-free the two have here confounded. TERMS.—The Centre Hall. Reporters is published weekly at \$2 per year in advance, or \$2,50 when not paid in advance, or \$2,50 when not paid in advance. Halfyearly and quarterly subscriptions at the same rate. Single copies &vecents.

Advertisements \$1,50 per square (10 sines) for three insertions. Advertisements for a longer period, at a reduced rate Business cards of five lines, \$5 per year. Obmmunications recommending persons for office, 5 cents per line. Communications of a private nature and obitary notices exceeding five lines, five cents per line. Business notices in local column 10 cents per line, for one insertion. Notices of deaths and marriages inserted free of charge. Our friends, in all parts of the county will oblige by sending us local items of interest from their respective localities.

TERMS.—The Centre five and refit and equip it, and when thus refitted he can advance, the two have been confounded. When the people of the South have exsumely dispute the federal government. Here, the two have been confounded. When the people of the South have exsumely a train of cars over the heavest grade in the State."

ENLARGED.—The Democratic Herald, Col Jacob Ziegler's paper, published at Butler, Pa., reached us last week, enlarged from a seven to nine column paper, and the same has been changed to Ziegler's Democratic Herald, and it is now printed upon a new power press. The Herald is now about the size of the Reporter, which is secondardly carpet-baggers and adventure ers by whom they have been publican people. Their deficiency which is under the tofore, the two have been confounded. When the people of the South have exsumely a train of cars over the heavest grade in the State."

ENLARGED.—The Democratic Herald, Col Jacob Ziegler's paper, published at Butler, Pa., reached us last week, enlarged from a seven to nine column paper, and the scound refined have been pounced, and a matter descended by the secondard with the Redical newspapers, is only discounted the secondard when the people of the South have exs equip it, and when thus refitted he can tofore, the two have been confounded, which such a noisy outery

tems of interest from their respective localities.

The figures set to the address upon and are rejoiced to see this evidence of his and are rejoiced to see this evidence of his prosperity. Col. Ziegler is an able and prosperity. Col. Ziegler is an able and interest prosperity. Col. Ziegler is an able and prosperity. Col. Ziegler is an able and democratic war horses of the state, with anoney has been received.

This vast and important enterprise, cals whose villany and rapacity the South or properly the representation and are rejoiced to see this evidence of his prosperity. Col. Ziegler is an able and which took place under the reconstruction to completion by the skill, enterprise and endurance of a French engineer, phant party. They succeeded by the aid democratic war horses of the state, with plenty of vigor left to do yeoman's service of Federal bayonets and terrorism. Haven the first endurance. In the first elections are patient endurance of a French engineer.
