Stuff the first hings to he had only half round. Stuff the first hings to he had only half round, and the first hings to he had been made of the contract, and being asked by the head of the first hings to hook at in the turning to the Jew, asked him who are the first hings to hook at in the first hings to hook hild hings and him himself the first hings to hook hild himself the first hings himself the first hings himself the first hings

nuts clean before and after using."

Milch Cours are apt to fall off rapidly in Much Coves are apt to fail off rapidly in their milk this month, and that dairyman is fortunate, or, more correctly speaking, prudent and enterprising, who has a good supply of corn fodder. There is little profit in keeping cows, unless they have all they can eat and digest. The trouble with corn is that it is too bulky.

A Taily News.

The simple shared and shared

Pastures and Fence Corners should not on any account be suffered to go to seed.

Let them be moved at once.

Subble Lend, especially after barley, is often full of weeds; a mowing machine may be used with advantage to cutthem.

Also, in pastures where thistles and other weeds are abundant, a mowing machine affords an easy method of checking or destroying the mouth of the size of a party of my people for Texas, and stopped with a sick man on Peos River. I have been abused by my people for Texas, and stopped with a sick man on Peos River. I have always been an advocate for peace. I have always wished this to be a white man's country. I am wearing shackels about half way across, and slightly included in the dam, so that the waste water that otherwise would stopped with a sick man on Peos River. The pink-tinted pearls are very much in demand this year, and are very rare.

Many ladies wear stude of diamonds or pearls in the ear, instead of long pendants.

Crimson merino petticoats are considered quite the thing by young ladies at ever witnessed. FEELING AND ACTION.—It is

ered quite the thing by young ladies at one of dead the sea-shore.

Some very beautiful rings are now worn of light pink cameos, surrounded with diamonds.

Gloves without stitching on the backs are more stylish than the elaborately embroidered ones.

Bonnets of "frou frou" gause, trimmed with feathers and valuet will be sea-shore.

FERLING AND ACTION.—It is not enough that we wish well to others. Our feelings should clothe themselves with corresponding actions. The spring which has no outlet becomes a stagnant pool; while that which pours itself off in the running stream is pure and living, and is the cause of life and beauty where ever it flows.

Bonnets of "frou frou" gause, trimmed with feathers and velvet, will be the prettiest styles worn next fall.

the prettiest styles worn next fall.

The latest novelty in neckties is of raw silk in very bright colors, trimmed with silk fringe, or valenciennes or point lace.

Red silk parasols are to be the latest operation.

GREAT NATH and discomfort is caused by the use of purgatives which gripe and rack the system. Parson's Purgative and are mild and health-giving in their operation. large and edged with fringe, feathers, or
