PITTSBURGH POST.

RAILROAD AND RIVER MATTERS.

Stage of Water.

Thirteen feet six inches water in the channel.

THE SINKING OF THE ROCHESTER.—The despatches to the associated press confirm the intelligence of the sinking of the steamer Rochester, which we announced yesterday. She was attempting to make a landing two miles above Madison, struck a snag, and sunk in a few minutes. Sixty passengers were on board, but all were saved. The boat was heavily freighted, most of which will be lost. The loss of the boat and the cargo is estimated at about $25,000.

HIGH WATER AT CINCINNATI.—At noon yesterday the river at Cincinnati was stationary at thirty-seven feet ten inches.

THE Commissioners of Muskingum county, Ohio, through the Nassau Bank of New York, give notice that ample provision for the payment of bonds of that county, due January 1, 1860, has been made in a tax levy for that purpose; but under the present law for the collection of taxes semi-annually only one-half of the levy can be collected by the first of January next. They therefore request holders of bonds due January 1st, 1860, to present the same at the Nassau Bank in New York for the payment of one-half of the principal of each bond—the balance to be positively paid on the 1st of July, 1860, with interest.

THE New York Central Railroad has lately put a coal burning locomotive on the road.

Smoke consuming coal burners are now a demonstrated success on the Penna. Central, Hudson River, Boston & Worcester, and other lines of road the corporote names of which do not occur at this moment.

THE Buffalo *Express* notices the arrival of the magnates of the New York Central Railroad, who are on a tour of inspection preparatory to making their annual report to the stockholders.

CLARKE'S LIVER PILLS.

The Best Purgative and Purifier before the People.—Accepted and Recommended by Eminent Physicians.

DR. CLARKE, the inventor of these celebrated Pills, is justly distinguished for his eminent abilities and scientific research. For 30 years in his extensive practice he experimented in bringing the great desideratum of a remedial agent to act as a direct purifier upon the human system. In this he has been eminently successful, as the numerous certificates from celebrated physicians show. They are extremely mild in their operation, at the same time powerful and effective in removing disease. They never give pain, as do most purgatives, but allay it in all cases. In acute cases they are more speedy in their relief than any Pill now offered.

The proprietor is pleased to announce that he has perfected his arrangements for supplying the trade to the fullest demand. N. U. WALKER, Proprietor. Pittsburgh, Pa.,

THE GREAT REMEDY.
Genesee Liniment.

THIS CELEBRATED PREPARATION has no near equal in all diseases requiring an EXTERNAL APPLICATION, such as Rheumatism, Neuralgia, Sprains, Burns, Old Sores, and all other aches, no matter what their name or nature. This Liniment is the result of years of active practice and careful research, by the celebrated Physician, DR. WM. CLARKE, of Brooklyn, N. Y., whose reputation as a man of science is co-extensive with the country. For many years it has enjoyed an enviable reputation, not only in private practice, but at large, as the

Greatest Remedy in Use.

Let all who are afflicted TRY IT, as it is warranted to effect speedy and sure cures.

SORE THROAT PLAGUE AND SORE THROAT.—This quality of seizing hold and causing the expulsion of depraved humors, is possessed by no other medicine than BRANDRETH'S PILLS. They operate only upon the tissues involved in, that is affected by the disease. In fact they seize upon those humors, not so much from preference as from natural affinity, because their life is below that of the surrounding parts, and which, settling on the tissues of the throat, that is, around the throat region, produces sore throat, *sore throat plague*, and the severe headache and fever. Within an hour after four or six pills are taken, there is felt a peculiar creeping in the part affected, a sort of collecting up of the diseased humors ready for expulsion. No hurt or weakening effect can ever arise from their use, because they cannot act upon healthy parts. Taken early they prevent all organic diseases. Oh, how important in sickness, to use that medicine which only extinguishes the disease, and leaves no evil effects behind.

Sold at No. 294 Canal street, Brandreth's Principal Office; by Thomas Redpath, No. 27 Diamond street, Pittsburgh, Pa., and by all respectable dealers in medicines. no21:1mdaw

CANKER IN THE MOUTH AND STOMACH. At mention of this, we imagine we hear many a mother exclaim, "from this, O, God, deliver us." But many have suffered, and still are suffering, from this painful cause. Permit us, in all kindness, to suggest the use of Kennedy's Medical Discovery; it has cured cases of long continuance, and of a most aggravated nature. Why then—afflicted one—should it not cure you? Mrs. Mary Smith, of Brighton, Mass., was cured after an illness of four years. Mrs. Martha Jones, of Roxbury, Mass., was deprived of the use of her limbs by this trouble—three bottles made her perfectly sound. Mrs. Chester Morse, of Roxbury, Mass., was cured by the use of three bottles. The two latter cases are within a stone's throw of Mr. Kennedy's Laboratory, and when a man's own neighbors praise him, it is not without cause.

WHY

Does Cristadoro's Excelsior Dye present stronger claims to public confidence than any other Hair Dye in existence?

BECAUSE

It is the only one that has ever been analyzed and publicly approved by the highest chemical authority.

ALSO,

For the reason that no other Dye has ever been subjected to chemical analysis at all.

MOREOVER,

Besides being free from every poisonous ingredient, it confers a finer black or brown, and in a shorter space of time than any other Dye in the world. Sold everywhere, and applied by all Hair Dressers. CRISTADORO, No. 6 *Astor House, New York.*

TO THE MEDICAL FACULTY.

PROF. DEGRATH, Philadelphia.—Sir:—At intervals, during thirty years past, my wife has been subject to Rheumatism of the most violent cast—say four times a year—sometimes so severe as to make it necessary to administer large doses of the Tincture of Gum and Morphia, and to rock her like an infant in a large rocking chair, to induce any repose. Having frequent correspondence with my son, (No. 103 Chestnut street, of your city,) I informed him of an attack she had about the middle of last month, (January,) which was of such severity as to completely paralyze the system. He, in his anxiety for his mother's welfare, sent me a bottle of your Celebrated ELECTRIC OIL; but as I am one of the practitioners of medicine in our place, and not a proselyte to any kind of medicine, I did hesitate to give it a trial. However, on reflection, I concluded to try it, which I did, *et persona* directly up to the letter, and after the third or fourth application she became rather passive, and before one-third of the bottle was used, not a single vestige of the disease remained in the system, and she still continues well, although she rode out a distance of fourteen miles without a renewal of any of the symptoms. I therefore feel it my duty, for the sake of suffering humanity, and also fully believing that merit, under all circumstances, should be rewarded, to forward this testimonial.

I am yours, truly,

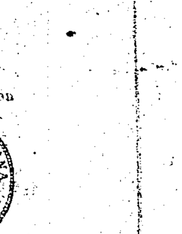
THE PERUVIAN SYRUP,
OR,
Protected Solution of Protoxide of Iron Combined,

HAS SUCCESSFULLY PASSED THE ordeal to which new discoveries in the Mater Medica are subjected, and must now be received as an established medicine. Its efficacy in curing

DYSPEPSIA,

Affections of the Liver, Dropsia, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Boils, Scurvy, and the prostrating effects of Lead, or Mercury, General Debility, and all diseases which require a tonic and alterative Medicine is beyond question.



The proof of its efficacy are so numerous, so well authenticated, and of such a peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, because many diseases apparently unlike, are intimately related, and proceeding from one cause, may be cured by one remedy. The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medicinal skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

PRICE—Large bottles, $2, or six for $10; small bottles, $1, or six for $5.

Having confidence in the efficacy of the "PERUVIAN SYRUP," as a medicinal agent, we recommend to our brethren in the ministry, the careful reading of this pamphlet.

MORE TO BE ADMIRED
—THAN THE—
RICHEST DIADEM,
Ever Worn by Kings or Emperors,
WHAT? A BEAUTIFUL HEAD OF HAIR!

THE ARTICLE THAT WILL NATURALLY restore the color of the hair, the changing of which to gray, being an indication of a lack of proper secretions, is truly a valuable medicine. Prof. Wood's HAIR TONIC is the only safe remedy for baldness, dryness, premature change of color, and the several evidences of a lack of secretions at the roots of the hair, which can be found. Quack preparations abound, and "hair tonics" fill every corner grocery in the country. Avoid all "hair tonics" unless known to be the preparation of some man whose celebrity has become world-wide. Do not let any nostrum vender experiment upon your hair. Touch nothing you have not a good reason to believe is all that it purports to be. Prof. Woods has earned by years of severe test of the virtues of his preparation, his present fame. Over 150 certificates are before us of the value of this Hair Restorative, from parties who have tried it. Read the following:

NEW YORK, April 19, 1858.—DR. WOOD—*Dear Sir:*—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color. About the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

I am, dear sir, yours truly, S. THALBERG.

Prepared by O. J. Wood & Co., 114 Market st., St. Louis, and 312 Broadway, N. Y., and sold by all druggists and patent medicine dealers; also, by all fancy and toilet dealers in the United States and Canada.

Sold by Dr. GEO. H. KEYSER, No. 140 Wood street, and B. L. FAHNESTOCK & CO., No. 60, corner Wood and Fourth streets, and by all good Druggists generally.

THE GREATEST
MEDICAL DISCOVERY
OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOR,

From the Worst Scrofula down to a common Pimple.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

One to two bottles will regulate all derangement of the kidneys.

Four to six bottles cured the worst cases of dropsy.

A benefit is always experienced from the first bottles, and a perfect cure is warranted when the above quantity is taken.

No change of diet ever necessary; eat the best you can get and enough of it. The

MEDICAL DISCOVERY

Is admirably adapted to the Western country, where
FEVER AND AGUE,
DYSENTERY,
BILIOUS COLIC,
BILIOUS FEVER,
LIVER DERANGEMENT,

Are so prevalent in their respective seasons.

The great cause of the prevalence of these diseases is that many have secreted in their system some PUTRID AND FATAL HUMOR, which is the source of all diseases, and many a young man and woman in the *Bloom of Life* are wasting away, whose faded cheeks and sunken eyes warn their friends of a speedy dissolution, through the effects of some ACRID HUMOR preying upon the vitals, and many thousands die annually from the effects of these humors, who, if they but purify their blood with a few bottles of Medical Discovery, would live to a ripe old age.

Another great cause of diseases is

Costiveness,

For this the Discovery is an infallible remedy, its action on the

LIVER, KIDNEYS AND BOWELS,

Is all that you could desire. For

Scrofulous Ulcers

You will follow the directions in pamphlet around the bottle. For

ULCERATED SORE LEGS,

You will find full directions in the pamphlet.

DIRECTIONS FOR USE.—Adults, one table spoonful a day; children over ten years, dessert spoonful; children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
