PITTSBURGH POST.

VARIETIES!

A Hoosier, an awful ugly man, relating his travels in Missouri, said that he had arrived at Chickenville in the forenoon, and just a few days before there had been a bout busted, and a heap of people scalded and killed, one way and other. So at last I went into a grocery a squad of people followed in, and one bowed and said.

"It's one of the unfortunate sufferers by the bustin' one of the Frankling.

Upon that he axed me to drink with him and as I put the tumbler to my mouth, he stopped me of a sudden.

"I beg your pardon, stranger, but—"

"But what?" sez I.

"Just fix your mouth that way again," sez he.

I done it jest as I was gwine to drink; and I'll be hanged if I didn't think they'od all go into fits. They yelled and hooped like a gang of wolves Finally one of the gang sez:

"Don't make fun of the unfortunate; he's hardly got over bein' blowed up yet. Let's make up a puss for him."

They then all thowed in made up five dollars. As the spokesman handed me the change, he axed me:

"Wher did you find yourself after the 'splosion?"

"In a flat boat," sez I.

"How far from the Franklin?" sez he.

"Why," sez I, "I never seed her, but as nigh as I can guess, about three hundred and seventy-five miles."

"You'd oughter seen that gang skedaddle."

CLARKE'S LIVER PILLS.

The Best Purgative and Purifier before the People.—Accepted and Recommended by Eminent Physicians.

DR. CLARKE, the inventor of these celebrated Pills, is justly distinguished for his eminent abilities and scientific research. For 30 years in his extensive practice he experimented in bringing the great desideratum of a remedial agent to act as a direct purifier upon the human system. In this he has been eminently successful, as the numerous certificates from celebrated physicians show. They are extremely mild in their operation, at the same time powerful and effective in removing disease. They never give pain, as do most purgatives, but allay it in all cases. In acute cases they are more speedy in their relief than any Pill now offered.

The proprietor is pleased to announce that he has perfected his arrangements for supplying the trade to the fullest demand. N. U. WALKER, Proprietor.
Pittsburgh, Pa.,

To whom all orders must be addressed. ☞For sale by dealers everywhere. no24

THE GREAT REMEDY.
Genesee Liniment.

☞THIS CELEBRATED PREPARATION has no near equal in all diseases requiring an EXTERNAL APPLICATION, such as Rheumatism, Neuralgia, Sprains, Burns, Old Sores, and all other aches, no matter what their name or nature. This Liniment is the result of years of active practice and careful research, by the celebrated Physician, DR. WM. CLARKE, of Brooklyn, N. Y., whose reputation as a man of science is co-extensive with the country. For many years it has enjoyed an enviable reputation, not only in private practice, but at large, as the

Greatest Remedy in Use.

Let all who are afflicted TRY IT, as it is warranted to effect speedy and sure cures.

☞FOR SALE BY DEALERS EVERYWHERE.

no23 To whom all orders must be addressed.

☞SORE THROAT PLAGUE AND SORE THROAT.—This quality of seizing hold and ramsing the expulsion of depraved humors, is possessed by no other medicine than BRANDRETH'S PILLS. They operate only upon the tissues involved in, that is affected by the disease. In fact they seize upon those humors, not so much from preference as from natural affinity, because their life is below that of the surrounding parts, and which, settling on the tissues of the throat, that is, around the throat region, produces sore throat, *sore throat plague*, and the severe headache and fever. Within an hour after four or six pills are taken, there is felt a peculiar creeping in the part affected, a sort of collecting up of the diseased humors ready for expulsion. No hurt or weakening effect can ever arise from their use, because they cannot act upon healthy parts. Taken early they prevent all organic diseases. Oh, how important in sickness, to use that medicine which only extinguishes the disease, and bars no evil consequences behind.

Sold at No. 294 Canal street, Brandreth's Principal Office; by Thomas Redpath, No. 2 Diamond street, Pittsburgh, Pa., and by all respectable druggists in principal cities. no21:lmaw

☞KENNEDY'S MEDICAL DISCOVERY.—This article, although the ingredients of which it is composed are harmless, still its effects are most powerful. It enters the blood, corrects all humor and flowing sloughishly through the veins, and as it passes through them, drives from before it to the surface of the skin all that is impure and obnoxious, filtering the blood, and causing it to flow briskly through the veins. The blotches on the surface in a few days disappear, and the reign of humors in the system is no more. As our readers could visit it, as we have done, the Laboratory of Mr. Kennedy, at Roxbury, and examine the certificates of those who have been cured of humors But as this, in all cases, is not convenient, we trust that our word will be taken, when we declare this to be the great est medicine of the age.

TO THE MEDICAL FACULTY.

PROF. DEGRATH, Philadelphia.—Sir:—At intervals, during thirty years past, my wife has been subject to rheumatism of the most violent character, say four times a year—sometimes so severe as to render it necessary to administer large doses of the Tincture of Guaiacum, Colchicum, and to keep her laudanum by her. At recent corner occasions, with my son, (No. 103 Chestnut street, of your city,) I informed him of an attack I had about the middle of last month, (January,) which was of such severity as to completely prostrate me. He, in his anxiety for his mother's welfare, sent me a bottle of your Celebrated ELECTRIC OIL; but as I am one of the practitioners of medicine as you term it, and not a proselyte to any kind of medicines, I did hesitate to give it a trial. However, on reflection, I consulted to try it, which I did, (I presume directly upon the letter, and after the third or fourth application she became rather passive, and before one-third of the bottle was used, not a single vestige of the disease remained in the system, and she still continues well, although she rode out a distance of fourteen miles without a return of any of the symptoms. I therefore feel it my duty for the sake of suffering humanity, and also fully believing that merit, under all circumstances, should be rewarded, to forward this testimonial.

I am yours, truly,
