crozetr, cross and all the insignia of the Episcopate. Bishop Gartland was interred at Savannah, and the coffin used in the high mass in this city was empty. In the present case, as we have already said, the body of the deceased bishop will lie in state without the coffin. The scene at the church, and the solarm services.

smooth as glass, and we made up our minds to have a heap of fun. Bill Berry was the leader of the crowd. He was a tall six-foot er, full of pluck, and the best skater in all count of the history and uses of tobacco, and creation. Give Bill Berry a good pair of skates, and smooth sailing, and he'd make the trip to Baffin's Bay and back in twentyfour hours, only stopping long enough at years, wi Halifax to take a drink. Well we got to from it: the creek and fastened our skates on; and, My skates got loose, and I stopped to fasten them. Just as I had finished buckling the straps I heard a noise. I looked up and saw something shooting along on the ice like ligathin. It was Bill Berry's head. He had been goin it like greesed electricity. and been goin' it like greased electricity, and ing. before he knew it he was into one of them cussed holes. The force was so great as to modern frauds in the weed. He finds it al

PHILADELPHIA. With the most profound regret, the pe ple of this community, especially those HEADACHE AND DEBILITY. who are Catholics, have learned of the John N. Neuman, D. D., Roman Catholic

Bishop of Philadelphia, which took place in that city on Thursday afternoon last. Bishop Neuman was for many years resident of Pittsburgh, previous to his appointment to the Episcopal See of Philadelphia. Mainly through his exertions the eautiful German Catholic church in the Fifth ward was erected. He was a man o scholastic acquirements. During his resilence in this city, he was the literary a well as religious teacher of quite a nun seless against cannon which can be made, ber ef young men who have since been or dained to the Priesthood, and are doing useful service in the Church, in different parts of the country. He was greatly beloved and honored in this community. The following brief sketch of this em

his sudden death, we take from the columns of the Philadelphia Press. "The Reverend Bishop, we are informe the Chair of State. But it appears to me that through one of the clergy of the diocese who in making the selection, at the present time, of was in his company at three o'clock in the afternoon, complained that he had never felt so strangely in his life. Immediately afterward he started out from the the Episeopal residence, and at half past three, when walking upon the side walk in Vine street, near Thireenth, he fell suddenly dead. At the time we were at the Episcopal residence last evening he Coroner had not yet held an inquest, b Gur standard bearer in October must be a man character that it is the opinion of an eminent physician that the cause of his death was apment of feeling unwell, but it was his char acter to be wholly regardless of self, in the prosecution of the duties of his high calling,

nent divine, embracing the particulars of

ca about the year 1884, and was ordained a priest by Bishop Dubois, in New York; on the 25th of June, 1836. He officiated as a mis sionary in the western part of New York near Buffalo, for several years, with marked success. On the 16th of January, 1842, he made his profession in the Congregation of the Most Holly Redeemer, and officiated as the superior of the congregation at different time in Baltimore and in Pittsburgh, in which la ter city he brought about the building of the beautiful church of St. Philomena. He was appointed by the present Pope Bish op of Philadelphia, and was consecrated such the 28th of March, 1852, succeeding the present Reverend Archbishop of He was the fourth Bishop of Philadelphia. Bishop Neumann was not what would ethern, who held him in the highest estee His memory was prodigious, and his capacity as a linguist unbounded. He spoke not only all the dialects of the Austrian Empire, but he was master of the various tongues of modern Europe, in addition to the dead lan-

guages studied during his professional career.
The death of the Right Reverend Bishop, so unexpectedly, in the very prime of a most active and useful life, will be a heavy blow to the members of his discess; by whom he was justly hold in high esteem and veneration. Such men as Bishop Neuman are rare in any community, and his loss will be widely The Evening Bulletin adds : The body of the Bishop will lie in state luring the entire day on Monday next, at St. John's Church, in Thirteenth street, above Chesnut. At nine o'clock, in the morning, high mass will be performed, and this service and the fineral sermon, will occupy several hours. Archbishop Kandrick, of Baltimore,

has been salegraphed for to preach the sermon. It is expected that he will comply with the request. The interment will not take place until after night, nor will the corpse be placed. n the coffin until just before the interment. The could will be of walnut, covered with fine black cloth, and inned with rich purple entin. Upon the top there will be a silver cross, and
