DR. EATON'S INFANTILE CORDIAL:

Prepared from a formula used by Dr. Eaton with infantile complaints, and one trial alone will conce you of its superiority over every other more no of the kind. It is particularly recommended FOR CHILDREN TEETHING. Guens, Reducing Information, and Discing all Price.
FOR DINEASES ATTENDING TRETHING, such as Noar-hose, Duestery, Griping in the Rickel, Asiding of the Stomach, Wind, Choile, and Cold in the Head, we confidently ofter this as a certain relief and cure in every case when given in time. It will invariably regulate the stomach and tiowels, and its importance in this respect can hardly be estimated. in hardly be estimated.
IN CONVULSIONS, y, as if by magic; and in this dread complaintringic value is such that it has been rec

m which more intants are said to use than from any for disease, the little sufferer is relieved instantantal intrinsic value is such that it has been recommended from one family to another, until the name of Dr. Edgardon en family to another, until the name of Dr. Edgardon en familier as a household word." We now sat your attention to a subject of rula interest to yourself, as well as to your suffering ohild. Dr. EATON'S INFANTILE COB-NO MORPHINE OR OPIATE, NO MORPHINE OR OPIATE,
of any kina, or of whatever values, as a fact which we are
fully corrected in stating cannot be said of any other propa
ration for infantile diseases, of this time before the pubkings. We find that throughout the country Mothers
are becoming convinced of this truth, and of this land,
and highting consequences which are certain to result
from the use of narcoties disguesed in the form of
quieting remedier, their continued administration betion of the bowels, ending oftentimes in convulsions.
Herein Dr. EATON's INFANTILE CORDIAL differs
from every other remedy. It om every other remedy. It
DOES NOT CONSTIPATE the bowels, neither does it act by deadening the sensitities of your children, but naturally, through its rare medicinal qualities, by removing all pain and cause of disease. We carnestly recommend you, therefore, so less ho time in procuring a bottle, that you may have at hand a remedy which will never fail to relieve your child in time of need. It is perfectly harmless, and caused that the shoot spars the snost delicate infant.

Take none but Dr. EATON'S INFANTILE OURDIAL.

This you can rely upon. Price 26 cents per bottle.
