WALKER-Dear Sir :For three years past, I have been severely afficied with <i>lower Com- barted to a large number of remedies</i> , but the <i>laster Com- barted to a large number of remedies</i> , but they failed to produce other than a temporary-relief. About six months ago, I purchased a box of ~CLARK EN LIVEK PILLS," and after using them, found myself so much better, that I at once adopted a regular system of taking them, and soon found myself entirely and radically cared. The various ills attendant upon a disordered state of the Liver, at once disappeared. I gladly and most cheer- fully recommend these Pills as a sure and effective rem- dy. Yours, truly, WM. AUSTIN. Chillicothe, O., Decomber 4, 1859. The above but speaks the voice of thousands who have fully tested the curstive properties of CLARK FS LIV- ER PILLS. Prepared at first for private practice by an eminent physician, and their merits fully tried, it is not strange they act more efficiently and directly on the disordarded organs than the generality of so-called Liver Remedies. In cases of Liver Complant, Lyspepsia Im- purity of the Blood, Constipation of the Bowels Gener- al Deblity, Sick Headache, and all diseases arising from a disorganized state of the system, &c., are a sure and ever failing remedy.
