Very truly yours. W. A. BELL. T WILL RESIDEN THE NATURAL COLOR OF THE HAIR, where age or sickness has turned it grey, and it will render it soft and glossy.

"ANYBODY" Who may try it, will find that it does not color the skin, but by rumulating the natural secretions at the roots, gives new life and strength to the Hair, and thus re-stores its color and freshness. It can be used as freely

MESSIS. W. E. HAGAN & CO:—I hereby certify that my flair having become gray and my head partially baid, I bought irem Henry Raynolds, Druggist one four bit bottle of HEIMSTREETS INIMITABLE HAIR RESTORATIVE. By its use my Hair was restored to its original color and thickness; it removed all candruff, arrested its failing, and gave it a rich, glossy appearance. Its effects were entirely different from any Hair Preparation I over used hefore. I know of several ladies and gouldenen, my intimate triends, who all speak of the "Lumitable" as being the best and chespest Hair Preparation in our market I can full recomment the "himitation" as being the best and cheapest that Preparation in our market I can fully recommend it, and will refer any one to Henry Reynolds, Druggiet, for the truth of my statements.
