HARRISBURG LETTER.

greas might ye pass at de the people. A bare majority would do this, and the people. A bare majority would do this, and the people of the whole country would receive such a bissure with shouts of acclamation and jog. If at all, that action must be speedy and decisive. The crisis culminates.
THE NEW TARIFF BILL. The tariff bill by the Committee of Conference, and it has passed both Houses of Congress. The new law will have the effect of replenishing the national Treasury, which has, for some time past, been depender. Should be keed the bas of the bas of the pople constitutionally expression and will also give remeved. Should be keed the bas would be use of the pople constitutionally expression and will also give remeved. Should be head the bas of the bas of the pople constitutionally expression darg sits in the term the the pople constitution means of the pople for the bas of the pople const promise. Mr. Marehail read in place an act to provide said. But, sr, what I want to say mainly is this, the people But, sr, what I want to say mainly is this, the people and the people of the pe

THE DEBATE ON THE TARIFF BILL. Mr. Douglas and Mr. Bigler. We find reported in the daily Globe the de-bate on the tariff bill, in which Mr. Douglas and Senator Bigler both participated. Mr. Douglas said he would not yote for the final followed by an insurrection of the slaves, and that the hands of the South would be paralysed by the focat their own firesides. That this is country, are submitted by fing wine neigh

South to feel fully assured. Many slaves will fight beside their masters. In the great negro insurrection in Tennessee in 1856, and in the A LETTER FROM VIRGINIA. very heart of which I was at the time, the We are permitted to publish the following twenty-five or thirty negroes who were proved to be implicated, and who were hung in conequence, had been fully as unsuccess friend in this city, which gives a brief and cor-

taining aid and confederates as were John rect view of the political feeling in that State. Brown and his gang. The political excitement here just now reminds one of some of the scenes of English

history. Union or secession respectively con stitutes the bond of fellowship among men young or old, it is all the same; the mere de arstion of principles ensures a reception with

open arms from one side or the other I cam here, as you know, a total stranger, and am nov caquainted with most the leading Union men c he city and a number in the Convention. In or dinary times I would probably never have known any of them. Our hotel is in fact a sort of third house in the evenings. Many of the members of both Convention and Legis lature are stopping here, and fierce discussi are nightly taking place-s good deal of ten per being shown on both sides, and with frequently a disposition to supply a lack of ar

with force of blows. But it grow gument late. Excuse me for boreing you with this Yours, &c Naval Expenses.
